We have examined management's assertion, herein, that the Onondaga County Industrial Development Agency's (the Agency) compliance with the New York State Public Authorities Law section 2925 applicable to the Agency's adoption of comprehensive investment guidelines for the year ended December 31, 2020. Management is responsible for the Agency's assertion. Our responsibility is to express an opinion on management's assertion about the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the specified requirements is fairly stated, in all material respects. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of risks of material misstatement of management's assertion, whether due to fraud or error. In making an assessment of the risks of material misstatement, the practitioner considered and obtained an understanding of internal control relevant to the subject matter in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, no such opinion is expressed. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Corporation's compliance with the specified requirements.

In our opinion, the Agency complied, in all material respects, with the aforementioned requirements for the year ended December 31, 2020.

This report is intended solely for the information and use of management, the audit committee and Board of Directors, others within the Agency, and for compliance with the New York State Public Authorities Law and is not intended to be and should not be used by anyone other than these specified parties.
