b. Impressions. No officer, employee or member of the Agency should by his conduct give reasonable basis for the impression that any person can improperly influence him or unduly enjoy his favor in the performance of his official duties, or that he is affected by the kinship, rank, position or influence of any party or person. An officer or employee or member of the Agency should endeavor to pursue a course of conduct, which will not raise suspicion among the public that he is likely to be engaged in acts that are in violation of his trust.

c. Receipt or Benefit. No officer, employee, or member of the Agency shall use or attempt to use his official position to secure unwarranted privileges or exemptions for himself or others, including directly or indirectly soliciting, accepting or agreeing to accept any benefit from another person upon an agreement that his/her vote, opinion, judgment, action, decision or exercise of discretion as an Agency officer, employee or member will thereby be influenced. A donation to a person seeking public or party office or to a committee supporting the efforts of such person shall not be considered such a benefit hereunder.

d. Confidential Information. No officer or employee or member of the Agency shall disclose information which is lawfully confidential and acquired by him in the course of his official duties or use such information to further his personal interests.

e. Representation before the Agency. An officer, employee or member of the Agency shall not receive or enter into any agreement, express or implied, for compensation or benefit to himself or a relative, directly or indirectly, for services to be rendered in relation to any matter before the Agency.

f. Disclosure of interest in any Agency Contract. g. Partnership, unincorporated association or corporation. h. Investments in conflict with official duties. (i) An officer, employee or member shall not invest or hold any investment directly or indirectly in any financial, business, commercial or other private endeavor or entity, which creates a conflict with his or her Agency duties; (ii) No officer or employee or member of the Agency shall engage in any transaction as representative or agent of the Agency with any business entity in which he has a direct or indirect financial interest that might reasonably tend to conflict with the proper discharge of his official duties.

i. Private employment or services. An officer, employee or member shall not engage in, solicit, negotiate for or promise to accept employment or render services for private interests when such employment or service creates a conflict of interest with or impairs the proper discharge of official Agency duties. In the event such a conflict arises with respect to a member, (s)he shall notify the Chairman of the Agency of same and withdraw from participation in any Agency process with respect thereto.

j. Future employment. For a period of one (1) year after the termination of service or employment with the Agency, no former officer, employee or member, on his or her own behalf, or as an employee, agent or representative of another may apply to or appear before or conduct business with respect to the Agency in any matter concerning

which he or she personally rendered substantial services and made policy decisions during the period of his or her term of office, service or employment by the Agency. Said one (1) year prohibition may be waived by the members for good cause upon written application for such officer, employee or member. At the expiration of the one (1) year period and thereafter, the former officer, employee or member shall make prior disclosure in writing to the members of the nature and extent of his/her Agency involvement with matters (s)he now seeks to address with the Agency.

k. Offer of Employment. An officer, employee or member shall disclose in writing to the members any offer of employment received from any person, firm or corporation which, to the knowledge of such officer, employee or member, is furnishing or seeking to furnish goods or services to the Agency, if such officer, employee or member has substantial involvement or responsibility for policy making in securing such goods or services and if such officer, employee or member enters into negotiations for such employment. Such disclosure must be made whether or not such offer and negotiations are verbal or written and whether or not the offer is accepted.

l. Sale of Goods or Services. No officer or employee or member of the Agency employed on a full-time basis nor any firm or association of which such Agency member, officer or employee is a member nor corporation, a substantial portion of the stock of which is owned or controlled directly or indirectly by such member, officer or employee, should sell goods or services to any person, firm, corporation or association which is licensed or whose rates are fixed by the Agency.

INDEMNIFICATION POLICY

Section 1. Indemnification

(a) The Agency shall indemnify to the fullest extent now or hereafter permitted by law each person involved in, or made or threatened to be made a party to, any action, suit, claim or proceeding, arbitration, alternative dispute resolution mechanism, investigation, administrative or legislative hearing or any other actual, threatened, pending or completed proceeding, whether civil or criminal, or whether formal or informal, and including an action by or in the right of any corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, whether profit or non-profit (any such entity being hereinafter referred to as an "Enterprise"), and including appeals therein (any such process being hereinafter referred to as a "Proceeding"), by reason of the fact that such person, such person's testator or intestate (i) is or was a member or officer of the Agency, or (ii) while serving as a member or officer of the Agency, is or was serving, at the request of the Agency, as a director, officer, or in any other capacity, of any other Enterprise, against any and all judgments, fines, penalties, amounts paid in settlement, and expenses, including attorneys' fees, actually and reasonably incurred as a result of or in connection with any Proceeding, or any appeal therein, except as provided in subparagraph (b) below.

(b) No indemnification shall be made to or on behalf of any such person if a judgment or other final adjudication adverse to such person establishes that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that such person personally gained in fact a financial profit or other advantage to which such person was not legally entitled. In addition, no indemnification shall be made with respect to any Proceeding initiated by any such person against the Agency, or a member or officer of the Agency, other than to enforce the terms of this Indemnification Policy, unless such Proceeding was authorized by the Members of the Agency. Further, no indemnification shall be made with respect to any settlement or compromise of any Proceeding unless and until the Agency has consented to such settlement compromise.

(c) Written notice of any Proceeding for which indemnification may be sought by any person shall be given to the Agency as soon as practicable. The Agency shall then be permitted to participate in the defense of any such Proceeding or, unless conflicts of interest or position exist between such person and the Agency in the conduct of such defense, to assume such defense. In the event that the Agency assumes the defense of any such Proceeding, legal counsel selected by the Agency shall be acceptable to such person. After such an assumption, the Agency shall not be liable to such person

for any legal or other expenses subsequently incurred unless such expenses have been expressly authorized by the Agency. In the event that the Agency participates in the defense of any such Proceeding, such person may select counsel to represent such person in regard to such a Proceeding; however, such person shall cooperate in good faith with any request that common counsel be utilized by the parties to any Proceeding who are similarly situated, unless to do so would be inappropriate due to actual or potential differing interests between or among such parties.

(d) In making any determination regarding any person's entitlement to indemnification hereunder, it shall be presumed that such person is entitled to indemnification, and the Agency shall have the burden of proving the contrary.

Section 2. Advancement of Expenses

Except in the case of a Proceeding against a member or officer specifically approved by the Members of the Agency, the Agency shall, subject to Section 1 above, pay all expenses incurred by or on behalf of a member or officer in defending any Proceeding in advance of the final disposition of such Proceeding. Such payments shall be made promptly upon receipt by the Agency, from time to time, of a written demand of such person for such advancement together with an undertaking by or on behalf of such person to repay any expenses so advanced to the extent that the person receiving the advancement is ultimately found not to be entitled to indemnification for part or all of such expenses.

Section 3. Rights Not Exclusive

The rights to indemnification and advancement of expenses granted by or pursuant to this Indemnification Policy: (i) shall not limit or exclude, but shall be in addition to, any other rights which may be granted by or pursuant to any statute, charter, by-law, resolution of Members or by agreement; (ii) shall be deemed to constitute contractual obligations of the Agency to any member or officer who serves in a capacity referred to in Section 1 at any time while this Indemnification Policy is in effect; (iii) shall continue to exist after the repeal or modification of this Indemnification Policy with respect to events occurring prior thereto; and (iv) shall continue as to a person who has ceased to be a member or officer and shall inure to the benefit of the estate, spouse, heirs, executors, administrators or assigns of such person. It is the intent of this Indemnification Policy to require the Agency to indemnify the persons referred to herein for the aforementioned judgments, fines, penalties, amounts paid in settlement, and expenses, including attorney's fees, in each and every circumstance in which such indemnification could lawfully be permitted by express provisions of by-laws or by law, and the indemnification required by this Indemnification Policy shall not be limited by the absence of an express recital of such circumstances.

ONONDAGA COUNTY
INDUSTRIAL DEVELOPMENT AGENCY

INVESTMENT POLICY

I. Purpose

The purpose of establishing an investment policy is to develop operating principles within the guidelines of current legislation governing investment activity. The Chief Financial Officer and Treasurer will be guided by this Investment Policy in managing the short and long-term investment of the Agency's available cash.

II. Objectives

The Agency's primary investment objectives are:

1. **Legal.** To conform to all applicable federal, state and other legal requirements. This relates both to the types of eligible investments and the requirements for adequate collateral to provide insurance for all investments.
2. **Preservation.** To preserve principal. Safety considerations include: 1) FDIC coverage, 2) written third party collateral agreements with local Banking Depositories and 3) statutory guidelines which govern the types of investments allowed by public benefit corporations.
3. **Liquidity.** To provide sufficient cash to meet all operating and debt service requirements. A cash flow projection developed for both capital and operational commitments is a basic tool used in the planning and timing of maturing investments to meet anticipated demands.
4. **Yield.** To select investments, which will return to the Agency the highest possible interest rate. While rate of return is important, primary consideration is given to the legal, safety and liquidity requirements.

III. Scope

The Investment Policy encompasses all moneys that become available for investment and/or deposit by the Agency on its own behalf or on behalf of any other entity.

IV. Standards of Prudence and Ethics

1. **Prudence:** The Chief Financial Officer and Treasurer shall seek to act responsibly as a custodian of the public trust and shall avoid any transaction that might impair public confidence to govern effectively. The Chief Financial Officer and Treasurer shall act in accordance with written procedures as outlined in the Agency

Investment Policy and exercise due diligence as investment officials. Investments shall be made with judgment and care, under prevailing circumstances, considering the probable safety of Agency revenues as well as the probable income to be derived from investments.

2. **Ethics:** The Chief Financial Officer and Treasurer shall refrain from any personal business activity that could conflict with proper execution of the investment program or could impair the ability to make impartial investment decisions.

V. Internal Controls

The Chief Financial Officer and Treasurer are responsible for establishing and maintaining an internal control structure to provide reasonable assurance that:

- a. Deposits and investments are safeguarded against loss from unauthorized use or disposition;
- b. Transactions are executed in accordance with management's authorization;
- c. Transactions are recorded properly;
- d. Transactions are managed in compliance with applicable laws and regulations governing public funds.

VI. Designation of Depositories

1. The Agency authorizes the following banks for the deposit of moneys up to the maximum amounts:

Depository Name	Maximum Amount
M&T Bank	\$10,000,000
Solvay Bank	\$10,000,000

2. The Agency will review the Designation of Depositories on an annual basis.

3. To be an investment partner of the Agency the banking institution must readily honor checks drawn on Agency accounts. The payee need not maintain an account at that bank; however, appropriate identification must be provided.

VII. Purchase of Investments

1. The Chief Financial Officer and Treasurer, or his/her designee, are authorized to contract for the purchase of investments.

2. All purchased obligations, unless registered or inscribed in the name of the local government, shall be purchased through, delivered to and held in the custody of a bank or trust company. Such obligations shall be purchased, sold or presented for redemption or payment by such bank or trust company only in accordance with prior written authorization from the officer authorized to make the investment. All such transactions shall be confirmed in writing to the Onondaga County Industrial Development Agency by the bank or trust company. Any obligation held in the custody of a bank or trust company shall be held pursuant to a written custodial agreement as described in General Municipal Law, §10.

3. **Repurchase Agreements.** Repurchase Agreements (“Repos”) are permitted. A Repos is a transaction in which the Agency purchases authorized securities from a trading partner. Simultaneously, the Agency agrees to resell and the trading partner agrees to repurchase the securities at a future date. The price and date is set at the time of the initial purchase.

a. Repurchase Agreements are authorized subject to the following restrictions:

i. Repurchase Agreements must be entered into subject to a written master repurchase agreement.

ii. Securities owned by the Agency must be held by a third party bank or trust company, acting as custodian for the securities.

iii. The custodian shall be a party other than the trading partner.

Authorized securities shall be limited to obligations of both U.S. Government and U.S. Agencies.

4. **Permitted Investments.** The Agency authorizes the Chief Financial Officer and Treasurer to invest moneys not required for immediate expenditure for terms not to exceed its projected cash flow requirements in the following types of investments:

a. Special time deposit accounts in an authorized banking depository or trust company secured in the same manner prescribed by General Municipal Law (“GML”) § 10.

All securities pledged to secure deposits shall be held by a third party bank or trust company and shall be held pursuant to a written Custodial Agreement. In order to provide the Agency with a perfected security interest the Custodial Agreement must contain all the necessary provisions, including the following,

It shall also provide the conditions under which the securities may be sold, presented for payment, substituted or released and the events that will enable the Agency to exercise its rights against the pledged securities.
- b. That the securities held by the authorized bank or trust company, as agent of and custodian for the Agency, shall be placed separate and

apart from the general assets of the custodial bank or trust company. They will not, in any circumstances, be commingled with or become part of the security for any other deposit or obligations.

c. That the custodian shall confirm the receipt, substitution or release of the securities held on behalf of the Agency.

d. That the types of collateral used to secure Agency deposits must be in accordance with the most current legislation authorizing various types of collateral, and approved by the Agency.

g. That the Custodian Bank must be a member of the Federal Reserve Bank.

X. Standards for Qualification of Investment Bankers, Brokers & Other Investment Advisors.

The Agency shall maintain a list of financial institutions and dealers approved for investment purposes and establish appropriate limits to the amount of investments, which can be made with each financial institution or dealer. All financial institutions with which the local government conducts business must be credit worthy. Banks shall provide their most recent Consolidated Report of Condition (Call Report) at the request of the Agency. Security dealers not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers. Such listing shall be evaluated at least annually. A. Prior notice to the Chairman is needed for non-routine Agency-related travel. This includes conventions, conferences, schools, pre-planned meetings, etc. that involve an overnight stay, are out of the boundaries of the County of Onondaga and Cayuga, Cortland, Madison and Oswego ("Contiguous Counties"), or require a registration fee in excess of \$100.00. Unless directed by the Chairman, travel that meets any of these criteria requires the preparation of a **Statement of Travel Purpose and Expenses** form signed by the individual and submitted in advance to the Chairman of the Agency.

Notice is not necessary for routine Agency-related travel. Routine Agency-related travel is defined as a day trip within County of Onondaga or its Contiguous Counties in which expenses will be limited to mileage or rental car reimbursement and meals, and will total less than \$100. The imputed cost calculation will be based on the Agency's mileage expense allowance rate applied to the estimated miles of the trip, and will be recorded on the Statement of Travel Purpose form.

For travel to and attendance at Agency functions within Onondaga County, each Agency member and staff shall be reimbursed for actual expenses. This payment shall apply to regular and special Agency meetings, Agency public hearings, study sessions, required educational sessions, and any other event with a purpose primarily related to Agency business.

Travel Expenses

Reimbursable expenses are considered to be those which are actual, necessary, and reasonable. The Agency will reimburse board members and staff for these expenses provided that the required supporting documentation is presented with the reimbursement request.

A. Registration fees associated with meetings and conferences are reimbursable. These fees may be paid in advance of the event if required. When an Agency member or staff pays a registration fee a receipt must be presented at the time of reimbursement.

B. Transportation should be arranged in the most economic manner possible. Air travel should be by coach or economy accommodations and made in advance to take advantage of lower fare rates.

C. Privately owned vehicle mileage reimbursement is authorized when travel is performed in the pursuit of Agency business and the conditions of the travel, including the convenience of Agency members, make it either economical or equal to the cost of a common carrier. A car rental fee may prove to be more economical than reimbursement for mileage on privately owned vehicles, and shall be used if it results in a lower expense to the Agency. Reimbursement of rental cars will be limited to the full size rate or lower. When privately owned vehicles are used, the mileage reimbursement rate will be at a rate allowed by the IRS. The rules of reason and necessity will be applied to travel routes.

D. Reimbursements for parking and tolls incurred on Agency business will be allowed when receipts are provided to substantiate the charges.

E. Lodging rates must be actual and supported by an itemized, paid bill for reimbursement. If sales tax exemption applies (New York State), then a completed Tax Exemption Certificate must be presented when the employee registers. Reimbursement will not be made on sales tax paid.

F. Meal rates in New York State will be on a per diem basis unless restricted by other laws or regulations, or reimbursed as part of a conference or seminar up to a maximum per diem rate of \$50.00. The per diem rate outside of NYS and within New York City will be based on the United States General Services Trust (GSA) per diem meal and incidental rates posted on its web site (www.gsa.gov).

Daily Maximum per Meal

Leave before 7:00am or return after 8:00am, breakfast will be allowed at an allowance of \$10.00

Leave before 11:30am or return after 2:00pm, lunch will be allowed at an allowance of \$15.00

Leave before 6:00pm or return after 7:00pm, dinner will be allowed at an allowance of \$25.00

The above rates include gratuity and applicable taxes.

Meals associated with a conference or seminar can be reimbursed over the per diem rate provided that a flyer, brochure, or itinerary from the conference is attached as supporting documentation stating the cost of the meal, and the staff provides a paid receipt. This also applies to conferences and seminars that are held within Onondaga County.

Per Diem rates for meals included in the registration fee and/or provided as part of a conference or seminar will not be reimbursed.

G. Reimbursement for the tipping of taxi cab drivers shall not exceed fifteen percent (15%) of the total cost of the cab trip. A receipt must be provided to receive reimbursement. Tipping for any other activity or service rendered may not be claimed.

H. Telephone and postage charges relating to official business will be reimbursed provided a statement is furnished showing the service was rendered, as well as the date of service.

I. Non-reimbursable expenses include laundry, valet service, entertainment, alcohol, or personal items.

Submission for travel reimbursement shall be in written form and include the claimant's name, the date each item of expense was incurred and the places between which travel was performed, and a short explanation as to the purpose of the travel.

Summary

Law has established the rules of reasonable, necessary, and actual regarding any expenditure and all claims will be viewed using this criterion. Except for meals, whenever receipts are available, claimant must provide them.

Business Entertainment Expenses

Reimbursable expenses for entertainment must be directly associated with the promotion of Onondaga County. Promotional activities include, but are not limited to, economic development and tourism.

Allowable expenses include meals and refreshments, catering services, facility rental, transportation, lodging, and tickets for local events. Alcohol may be reimbursed, but its use should be kept to a minimum.

Miscellaneous Non-travel Expenses

Refreshments, meals, and accommodations associated with meetings, training and retreats attended primarily by Agency members and outside personnel may be reimbursed. All receipts and supporting documentation must accompany the reimbursement request.

Awards and refreshments for Agency member and employee recognition ceremonies may be reimbursed.

Non-reimbursable expenses:

- Social events such as birthdays, holiday parties, and the like

- Food and refreshments for office events

- Cards and flowers for office events or bereavements

- Supplies for parties, water coolers and coffee breaks

- Charitable contributions or events

- Mileage to non-essential functions

Section I. Purpose

A. Purpose. Pursuant to Section 874(4) of Article 18-A of the General Municipal Law (the “GML”) of the State of New York (the “State”), the Onondaga County Industrial Development Agency (the “Agency”) hereby establishes a uniform tax exemption policy (“UTEP”) to provide guidelines for the claiming of real property, mortgage recording, and sales and use tax exemptions. The Agency may grant benefits on a case by case basis for a project expected to have significant economic impact on Onondaga County as determined in the sole discretion of the Agency members.

Section II. Real Property Tax Abatements

A. General Policy. The Agency may provide for the provision of real property tax abatements to qualified applicants. The granting of such abatements requires the Agency and the project owner or occupant (the “Company”) to enter into a payment in lieu of taxes agreement (“PILOT”), which provides for payments in lieu of taxes to the taxing jurisdictions generally in an amount less than what the real property taxes would be if the Agency involvement did not cause the project to be tax exempt.

The Agency's standard policy is to provide for payments following a schedule of steadily increasing fixed payments calculated by applying a sliding scale to values determined using current tax rates and the current assessed value of the project.

B. Special Assessments and Levies. No project shall be exempt from special assessments and special ad valorem levies lawfully levied and/or assessed against the project.

C. PILOT Qualification. A project must be engaged in one of the following below listed activities to be eligible for a Job Retention, Job Retention with MWBE Enhancement, Job Creation, Job Creation with MWBE Enhancement, or either Repatriation PILOT Scales later detailed in this UTEP. Qualifying activities include: manufacturing, processing, remanufacturing, assembly, warehousing, back office, wholesale, distribution, product research and development, professional/scientific/technical services, tourism, commercial housing or a corporate national or regional headquarters, or an energy project.

D. PILOT Valuation. Payments in lieu of taxes shall be determined pursuant to a written PILOT Agreement between the Agency and the Company. The Company shall pay to the Agency, or its designee, the amount calculated pursuant to the applicable PILOT Agreement. Each PILOT payment shall be allocated among the affected taxing jurisdictions in proportions equal to the percent of real property taxes which would have been received by each affected taxing jurisdiction had the project not been tax exempt. Variations in the proportions shall be done only with the prior written consent of all the affected taxing jurisdictions. Each PILOT agreement shall take effect during the tax year immediately following the taxable status date after the Agency acquires an interest in the project unless otherwise agreed upon by the Agency.

1. PILOT payments shall be equal to the sum of the following:

- i. Fixed payments, calculated by the Agency, using an estimated current value and current tax rate of the land both as of the date of the application for Project benefits; plus
- ii. Fixed payments, calculated by the Agency, using an estimated value of the improvements and current tax rate both at the time of the application for Project benefits, which value is then multiplied by the applicable percentage in the applicable PILOT Exemption Scale.

E. Community Benefit Incentive PILOT. The Community Benefit Incentive PILOT may offer a more generous PILOT exemption scale to a project that meets one of the following thresholds:

1. Brownfield. The project is a brownfield site as determined by the New York State Department of Environmental Conservation or United States Environmental Protection Agency. Sites located within Brownfield Opportunity Areas may also be considered.

2. Adaptive Reuse. The criteria for “adaptive reuse” is based on the following:

- i. the age of the structure;
- ii. the structure presents a significant structural challenge to redevelopment or presents a significant public safety hazard, as determined by the Agency;
- iii. the structure has been vacant or underutilized for a minimum of 2 years prior to application to the Agency;
- iv. the net increase in the facility’s assessed value after project completion exceeds 30 percent;
- v. the project demonstrates a financial obstacle to development without the Agency’s assistance;
- vi. the project is listed on the State or the National Register of Historic Places; and
- vii. the site or structure is presently delinquent in property tax payments.

3. LEED Certified. The project has received a Gold or Platinum LEED Certification from the US Green Building Council. To accommodate the LEED Certification Commissioning Process without penalizing a project, a project seeking LEED Certification may receive the applicable base PILOT Exemption Scale for up to 2 years after the project is completed and be transitioned for the remaining period to the Community Benefit PILOT Schedule upon receiving LEED Certification. If the project has not received LEED Certification within the 2-year period, the applicable PILOT Exemption Scale will remain in effect for an additional 8 years.

4. Community Benefit Incentive PILOT Valuation.

- a. PILOT payments shall be equal to the sum of the following:
 - i. Fixed payments, calculated by the Agency, using an estimated current value and current tax rate of the land both as of the date of the application for Project benefits; plus
 - ii. Fixed payments, calculated by the Agency, using an estimated value of the improvements and current tax rate both at the time of the application for Project benefits, which value is then multiplied by the applicable percentage in the Community Benefit Incentive PILOT Exemption Scale.

The Community Benefit Incentive PILOT Exemption Scale are shown on pages 7-G.3, 7-G.4, 7-G.5, and 7-G.6

F. Energy Project PILOT. Because of interest in our community for renewable energy development the Agency may, in its sole and absolute discretion, choose to grant real property, mortgage recording and sales and use tax exemptions to renewable energy projects. The following selection criteria and PILOT structure may be applied by the Agency to renewable energy related projects.

1. Selection Criteria

- i. Is the project in an underutilized or undesirable/ difficult to develop location? (e.g. landfill, brownfield, distressed land)
- ii. Is there demand in the area?
- iii. Is there support from local officials?
- iv. Does existing infrastructure support the project?
- v. Does the size of the project warrant a PILOT?

2. PILOT Structure:

- i. Term: At the Agency's sole and absolute discretion, the term of the PILOT may be extended to accommodate the financing requirements of a project.

- ii. **PILOT Calculation:** To estimate the annual PILOT payment, the Agency may use a formula expressed as a dollar value per AC Mega Watt (MW) multiplied by the MW generated to arrive at a PILOT payment to be paid by the Company each year. The Agency will be responsible for determining what the appropriate dollar value per MW is for each project. Mathematically, the formula can be expressed as: (AC MW Generated) X (Dollar Value per MW) = Total PILOT Payment for a given year.

G. **Apartment Projects.** Based on the need in our community for affordable housing for the workforce, the Agency may, in its sole and absolute discretion, choose to grant real property, mortgage recording and sales and use tax exemptions to apartment style housing projects. Apartment Projects real property tax benefits may be granted, in the Agency's sole and absolute discretion, in accordance with the Job Retention or Job Creation Exemption Scale contained in this UTEP. In addition to the requirements listed in the project evaluation and selection policy contained herein, the Agency may consider additional criteria when providing benefits to apartment style housing projects including, but is not limited to:

- i. Is the project being built in a blighted area?
- ii. Is the housing fulfilling an unmet need in the area?
- iii. Is there a market study documenting demand for such housing?
- iv. Is there support from local officials?
- v. Is the project considered needed infill in an already populated area?
- vi. Does the project provide walkability to municipality centers?
- vii. Is any additional county providing infrastructure necessary to service the project?
- viii. Is the project a part of a larger mixed-use development?

Section III. PILOT Deviations

A. PILOT Deviations. The Agency may deviate, on a case by case basis, from the PILOT Exemption Scale as described above.

B. Notification of Taxing Jurisdictions. Any deviations from this UTEP shall require a written notification by the Agency to the chief executive officer of each affected taxing jurisdiction in advance of the meeting at which the proposed deviation will be considered.

C. Deviation Considerations. The Agency in its sole and absolute discretion may consider the following factors in the determining whether a project may deviate from the PILOT Exemption Scale contained in this UTEP , no single one of which is determinative:

1. The nature of the proposed project (e.g., manufacturing, commercial, etc.);
2. The nature of the property before the project begins (e.g., vacant land, vacant buildings);
3. The economic condition of the area at the time of the application;
4. The extent to which a project will create or retain permanent, private sector jobs;
5. The estimated value of the tax exemptions to be provided;
6. The impact of the project and proposed tax exemptions on affected tax jurisdictions;
7. The impact of the proposed project on existing and proposed businesses and economic development projects in the vicinity;
8. The amount of private sector investment generated or likely to be generated by the proposed project;
9. The demonstrated public support for the proposed project;

10. The likelihood of accomplishing the proposed project in a timely fashion;
11. The effect of the proposed project upon the environment
12. The extent to which the proposed project will require the provision of additional services including, but not limited to, additional educational, transportation, police, emergency medical or fire services;
13. The extent to which the proposed project will provide additional sources of revenue for municipalities and school districts in which the project is located; and

3. Exempt Certificate. All project applicants must agree in writing to timely file with the New York State Department of Taxation an annual statement of the value of all sales and use tax exemptions.

Section V. Mortgage Recording Tax Exemptions

A. Permitted Exemptions. The Agency may grant an exemption from the mortgage recording tax to a project to the full extent of the law. The Agency may not

When deciding whether or not to recapture benefits and the amount of such recapture, the Agency may consider the potential future benefit of the business to the community.

2. Recapture Payment. The recapture payment paid by the Company to the Agency shall be determined (1) by the difference between any PILOT payments made by the Company and the property taxes that would have been paid by the Company if the property were not under the supervision, jurisdiction or control of the Agency, (2) the value of any mortgage recording tax exemption, if awarded to the Company and (3) the amount of sales and use tax that would have been paid if an exemption was not granted.

3. Recapture of the PILOT, Sales and Use Tax or Mortgage Recording Tax. The Recapture Schedule for a Payment in Lieu of Tax Agreement, Sales and Use Tax or the Mortgage Recording Tax is as follows:

EXECUTIVE SESSION SUMMARY

See also Open Meeting Law Summary

Every meeting of a public body must be open to the general public. However, an executive session may be called and business transacted thereat. An executive session is that portion of a meeting not open to the public. Attendance at an executive session shall be permitted to any member of the Agency and any other persons authorized by the Agency.

Upon motion identifying the general area(s) of the subject(s) to be considered and a majority vote of the members, an executive session may be entered into and conducted by the Agency for the following matters only:

- (a) matters which will imperil the public safety if disclosed;
- (b) any matter which may disclose the identity of a law enforcement agent or informer;
- (c) information relating to current or future investigation or prosecution of a criminal offense which would imperil effective law enforcement if disclosed;
- (d) discussions regarding proposed, pending or current litigation;
- (e) collective negotiations pursuant to article fourteen of the civil service law;
- (f) the medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation;
- (g) the preparation, grading or administration of examinations; and
- (h) the proposed acquisition, sale or lease of real property or the proposed acquisition of securities, or sale or exchange of securities held by such public body, but only when publicity would substantially affect the value thereof.

The board may take action with respect the above matters during a *properly convened executive session*, however, **no action by formal vote may be taken in an executive session to appropriate public moneys**. Minutes must be taken of any action that is taken by a formal vote, and must consist of a record or summary of a final determination and the vote thereon. They do not need to include any matters not required to be made available to the public pursuant to FOIL.

Separate from an executive session, the Agency can, in private, consult with its attorney regarding legal matters. Attorney-client privilege is an exemption from the Open Meetings Law pursuant to Section 108 of the Public Officers Law, and when an exemption under §108 applies, the Open Meeting Law does not, and the requirements that operate with respect to an executive session are not in effect.

SECTION 1. PURPOSE AND SCOPE

- (a) The people's right to know the process of government decision-making and the documents and statistics leading to determinations is basic to our society. Access to such information should not be thwarted by shrouding it with the cloak of secrecy of confidentiality.
- (b) These regulations provide information concerning the procedures by which records may be obtained.
- (c) Personnel shall furnish to the public the information and records required by the Freedom of Information Law, Article 6 of the Public Officers Law, as well as records otherwise available by law.
- (d) Any conflicts among laws governing public access to records shall be construed in favor of the widest possible availability of public records.

SECTION 2. DESIGNATION OF RECORDS ACCESS OFFICER

- (a) Onondaga County Industrial Development Agency ("OCIDA") is responsible for insuring compliance with the regulations herein. OCIDA shall designate a Records Access Officer(s) and make available the contact information of the OCIDA Records Access Officer(s) to the public. The most recent name, business address and telephone number of the designated OCIDA Records Access Officer(s) can be found in Attachment A hereto.

(b) The Records Access Officer is responsible for insuring appropriate agency response to public requests for access to records. The designation of a Records Access Officer shall not be construed to prohibit officials who have in the past been authorized to make records or information available to the public from continuing to do so.

The Records Access Officer shall insure that agency personnel:

- (1) Maintain an up-to-date subject matter list.
- (2) Assist persons seeking records to identify the records sought, if necessary, and when appropriate, indicate the manner in which the records are filed, retrieved or generated to assist persons in reasonably describing records.
- (3) Contact persons seeking records when a request is voluminous or when locating the records involves substantial effort, so that personnel may ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
- (4) Upon locating the records, take one of the following actions:
 - (i) Make records available for inspection; or,
 - (ii) Deny access to the records in whole or in part and explain in writing the reasons therefor.

 - (i) OCIDA is not the custodian for such records, or
 - (ii) The records of which OCIDA is a custodian cannot be found after diligent search.

SECTION 4. LOCATION

Onondaga County Industrial Development Agency
333 West Washington Street, Suite 130
Syracuse, NY 13202

SECTION 5. HOURS FOR PUBLIC INSPECTION

Requests for public access to records shall be accepted and records produced during all hours regularly open for business.

These hours are: Monday through Friday 9 a.m. to 4 p.m.

SECTION 6. REQUESTS FOR PUBLIC ACCESS TO RECORDS

(a) Requests for public access to records shall be made in writing and directed to the attention of the OCIDA Records Access Officer. Requests for access to public records may be made via regular mail, electronic mail or facsimile.

(b) Any person requesting records who seeks information consisting of a list of names and addresses must sign a certification that the list will not be used for solicitation or fundraising purposes.

(c) If records are maintained on the internet, the requester shall be informed that the records are accessible via the internet and in printed form either on paper or other information storage medium.

(d) (i) The Agency shall provide records stored in electronic format in the medium requested by a person if the Agency can reasonably make such copy or have such copy made by engaging an outside professional service.

(ii) When the Agency has the ability to retrieve or extract a record or data maintained in a computer storage system with reasonable effort, it shall be required to do so. If a request reasonably describes records or data maintained electronically, and when extracting the data with new programming is more efficient than engaging in manual retrieval or redactions from non-electronic records, the Agency is required to install such programming rather than engage in manual retrieval or redaction of non-electronic records.

(e) A request may not be denied as being too broad, voluminous, extensive or burdensome because the Agency lacks sufficient staff to handle such a request. If the Agency is unable to handle the extent of the searching, copying, collating, programming, or other record preparation using its staff, it must hire outside help *at the expense of the requesting party*.

(f) A response shall be given within five (5) business days of receipt of a request by:

(1) informing a person requesting records that the request or portion of the request does not reasonably describe the records sought, including direction, to the extent possible, that would enable that person to request records reasonably described;

(2) granting or denying access to records in whole or in part;

(3) acknowledging the receipt of a request in writing, including an approximate date when the request will be granted or denied in whole or in part, which shall be reasonable under the circumstances of the request and shall not be more than twenty (20) business days after the date of the acknowledgment, or if it is known that circumstances prevent disclosure within twenty (20) business days from the date of such acknowledgment, providing a statement in writing indicating the reason for inability to grant the request within that time and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part; or

(4) if the receipt of request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part within twenty (20) business days of such acknowledgment, but circumstances prevent disclosure within that time, providing a statement in writing within twenty (20) business days of such acknowledgment specifying the reason for the inability to do so and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part.

(g) In determining a reasonable time for granting or denying a request under the circumstances of a request, personnel shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the agency, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.

(h) A failure to comply with the time limitations described herein shall constitute a denial of a request that may be appealed. Such failure shall include situations in which an officer or employee:

(1) fails to grant access to the records sought, deny access in writing or acknowledge the receipt of a request within five (5) business days of the receipt of a request;

(2) acknowledges the receipt of a request within five (5) business days but fails to furnish an approximate date when the request will be granted or denied in whole or in part;

(3) furnishes an acknowledgment of the receipt of a request within five (5) business days with an approximate date for granting or denying access in whole or in part that is unreasonable under the circumstances of the request;

(4) fails to respond to a request within a reasonable time after the approximate date given or within twenty (20) business days after the date of the acknowledgment of the receipt of a request;

(5) determines to grant a request in whole or in part within twenty (20) business days of the acknowledgment of the receipt of a request, but fails to do so, unless the agency provides the reason for its inability to do so in writing and a date certain within which the request will be granted in whole or in part;

(6) does not grant a request in whole or in part within twenty (20) business days of the acknowledgment of the receipt of a request and fails to provide the reason in writing explaining the inability to do so and a date certain by which the request will be granted in whole or in part; or

(7) responds to a request, stating that more than twenty (20) business days is needed to grant or deny the request in whole or in part and provides a date certain within which that will be accomplished, but such date is unreasonable under the circumstances of the request.

SECTION 7. SUBJECT MATTER LIST

(a) The Records Access Officer shall maintain a reasonably detailed current list by subject matter of all records in its possession, whether or not records are available pursuant to subdivision two of section eighty-seven of the Public Officers Law.

(b) The subject matter list shall be sufficiently detailed to permit identification of the category of the record sought.

(c) The subject matter list shall be updated annually. The most recent update shall appear on the first page of the subject matter list.

SECTION 8. DENIAL OF ACCESS TO RECORDS

(a) Denial of access to records shall be in writing stating the reason therefor and advising the requester of the right to appeal to the individual or body established to determine appeals, who or which shall be identified by name, title, business address and business phone number.

(b) If requested records are not provided promptly, as required in section 5 of these regulations, such failure shall also be deemed a denial of access.

(c) The Chairperson of OCIDA shall determine appeals regarding denial of access to records under the Freedom of Information Law. The most recent name, business address and telephone number of the Chairperson of OCIDA can be found in Attachment A hereto.

(d) OCIDA may deny access to records or portions thereof that:

- (1) are specifically exempted from disclosure by state or federal statute;
- (2) if disclosed would constitute an unwarranted invasion of personal privacy under the provisions of subdivision two of section eighty-nine of this article;
- (3) if disclosed would impair present or imminent contract awards or collective bargaining negotiations;

- (4) are trade secrets or are submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which if disclosed would cause substantial injury to the competitive position of the subject enterprise;
- (5) are compiled for law enforcement purposes and which, if disclosed, would:
 - (i) interfere with law enforcement investigations or judicial proceedings;
 - (ii) deprive a person of a right to a fair trial or impartial adjudication;
 - (iii) identify a confidential source or disclose confidential information relating to a criminal investigation; or
 - (iv) reveal criminal investigative techniques or procedures, except routine techniques and procedures;
- (6) if disclosed could endanger the life or safety of any person;
- (7) are inter-agency or intra-agency materials which are not:
 - (i) statistical or factual tabulations or data;
 - (ii) instructions to staff that affect the public;
 - (iii) final agency policy or determinations; or
 - (iv) external audits, including but not limited to audits performed by the comptroller and the federal government; or
- (8) are examination questions or answers which are requested prior to the final administration of such questions;
- (9) if disclosed, would jeopardize an agency's capacity to guarantee the security of its information technology assets, such assets encompassing both electronic information systems and infrastructures; or
- (10) are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-a of the vehicle and traffic law.

(e) In accordance with the provisions of the Public Officers Law, and upon the advice of Agency Counsel, the Records Access Officer may delete (or cause to be deleted) from any record identifying details, the disclosure of which may result in an

unwarranted invasion of privacy, prior to making such record available for inspection and copying. In the event one or more deletions are made from any record the Records Access Officer shall provide written notice of that fact to the person given access to the record.

SECTION 9. APPEALS

(a) Any person denied access to records may appeal within thirty days of a denial.

(b) The time for deciding an appeal by the individual or body designated to determine appeals shall commence upon receipt of a written appeal identifying:

- (1) the date and location of requests for records;
- (2) a description, to the extent possible, of the records that were denied; and
- (3) the name and return address of the person denied access.

POLICY ON INDUCEMENTS TO PROSPECTS

The Board of the Onondaga County Industrial Development Agency (“OCIDA” or the “Agency”) is in a position to provide incentives to eligible companies considering locating in the County of Onondaga. OCIDA is one of the few flexible sources of local funds for economic development purposes. Therefore, since July 1, 1995, the Board has preserved a minimum of \$200,000 in fund balance each year, for specific job retention and attraction projects. The purpose of these guidelines is to preserve the flexibility of the fund while simultaneously insuring the use of the funds judiciously and in a manner that provides the greatest economic return to Onondaga County.

The fund may be used in negotiations with companies considering locating in Onondaga County under the following circumstances:

- a) OCIDA’s professional staff have met directly with company officials and “qualified” the prospect as to (i) financial need, (ii) jobs projected to be created, and (iii) competition with other communities.
- b) The project requires the fund to fill gaps in project requirements that cannot be met with existing federal, state and local economic development financing programs.
- c) Use of the fund will include means of recapture. Means of recapture may include, but shall not be limited to, supplemental fees to be paid over time and may include credits against such fees for meeting employment goals.
- d) Use of the fund requires a project to become a project of the Agency and as such to be subject to the Agency’s application and inducement process.
- e) The fund shall be used in accordance with the legislative authority given to industrial development agencies in New York State.

LEGAL FEE POLICIES

1. **Standard Legal Cost Allocation**

Ordinary pre-inducement legal costs shall be paid by the Agency. Post-inducement costs of Agency Counsel will be the responsibility of the applicant and billed directly to the applicant by Agency Counsel with copies of the bills sent to the Secretary of the Agency.

The legal fees of the agency for the first \$20 million is .0025 multiplied by the project cost. The fee for anything above the \$20 million is .00125 multiplied by the project cost.

2. **Agency as Lead Agency for SEQRA Purposes**

When the Agency is asked and agrees to act as lead agency for purposes of SEQRA compliance, the legal costs associated with the fulfillment of the Agency's obligation shall be the responsibility of the applicant from the time the Agency agrees to be lead agency, whether or not an inducement has been passed.

3. **Special Agency Projects**

For projects where Agency participation consists of a direct contribution of financial support and no other participation, the Agency legal fees will either be paid by the applicant or deducted from the amount of financial support offered. In these cases, the legal fees include those incurred by the Agency both prior to and following inducement or project approval.

LOCAL ACCESS POLICY

In absence of a waiver permitting otherwise, every project seeking the assistance of the Onondaga County Industrial Development Agency (Agency) must use local general contractors, sub-contractors and labor for one-hundred percent (100%) of the construction of new, expanded, or renovated facilities. The project's construction or project manager need not be a local company.

All projects of the Agency will be subject to monitoring by the Agency. Noncompliance may result in the revoking and/or recapture of all benefits extended to the project by the Agency.

Definitions

Local Labor is defined as laborers permanently residing in the State of New York counties of Cayuga, Cortland, Herkimer, Jefferson, Madison, Oneida, Onondaga, Oswego, Tompkins and Wayne.

Local (Sub) Contractor is defined as a contractor operating a permanent office in the State of New York counties of Cayuga, Cortland, Herkimer, Jefferson, Madison, Oneida, Onondaga, Oswego, Tompkins and Wayne.

Waivers

The Agency may determine on a case-by-case basis to waive the local access policy for a project or for a portion of a project where consideration of warranty issues, necessity of specialized skills, significant cost differentials between local and non-local services or other compelling circumstances exist. Should a company require a waiver of the local access policy, the Board would ask that the company make good faith efforts to use New York based companies prior to reaching outside the state for services.

Waiver Process

The project Applicant will submit in writing a request for a waiver to the Executive Director of the Agency. Said request will clearly and comprehensively explain and reliably verify the need for the waiver. The company shall then provide proof to the Executive Director of diligent efforts to secure labor within the local labor area. The company must provide proof directly from local companies that the labor is not available in the 10 County area. The Executive Director will submit the verified waiver request to the Board Chair and the agency attorney for review and shall approve or disapprove waivers.

Noncompliance

If a project is found to be noncompliant, the Executive Director will issue a written warning. If within thirty (30) days of issuance of the warning the project remains noncompliant, the Executive Director will submit to the Board a resolution to revoke and/or recapture the project benefits.

- handling of toxic wastes

SEQR REVIEW PROCESS:

STEP ONE: CLASSIFY THE ACTION: Determine whether the action is subject to SEQR. If the proposed action does not require a discretionary decision, it is not subject to SEQR. Determine whether it is a Type II Action, a Type I Action or an Unlisted Action.

Type I Actions: Type I actions meet or exceed thresholds listed in the statewide or agency SEQR regulations. These are likely to require preparation of an EIS. Examples of Type I Actions are:

- nonresidential projects physically altering 10 or more acres of land
- nonresidential projects for a facility with more than 100,000 square feet of gross floor area in a city, town or village having a population of 150,000 persons or less,
- projects requiring zoning changes affecting 25 or more acres

Note: Type I actions do not always require an EIS.

Type II Actions: Type II actions those actions, which never require further SEQR review. Type II actions listed in the statewide and agency SEQR regulations are determined not to have a significant adverse impact on the environment. Some examples:

- rebuilding or replacement of facilities, in-kind, on the same site
- minor structures, such as garages, barns or home swimming pools, routine permit and license renewals with no substantial change in permitted activities
- construct or expand either primary or accessory nonresidential structures in an appropriate zone with less than 4,000 square feet of gross floor space construct or expand a single, two or three family residence on approved lot
- routine activities of educational institutions, including expansions of existing facilities by less than 10,000 square feet
- purchase or sale of furnishings, equipment or supplies other than land and hazardous material (herbicides, radioactive material, pesticides etc)
- maintenance or repair involving no substantial changes in an existing structure or facility

Unlisted Actions: Unlisted actions do not meet the Type I thresholds but some may still require an EIS. Some examples:

- nonresidential projects physically altering less than 10 acres of land
- nonresidential projects for a facility with less than 100,000 square feet of gross floor area

Unlisted Actions **do not always require** preparation of a full EAF.

If an action is determined to be Type II, then no further environmental review is required and the SEQR process ends.

STEP TWO: ENVIRONMENTAL ASSESSMENT FORMS: A Full EAF is required for Type I actions. Unlisted Actions do not necessarily require the preparation of a Full EAF; however, a short EAF is required.

STEP THREE: COORDINATED/UNCOORDINATED REVIEW: All Type I actions are required to have coordinated review. The involved agency initially receiving an application for approval circulates the completed Part I of the full EAF and any other information supplied by the applicant to the other involved agencies. If only one agency is approving, funding or directly undertaking an action, that agency is automatically the lead agency. If there are two or more involved agencies, the involved agencies must agree on a lead agency within 30 calendar days. Usually, the agency seeking to be lead agency will notify the other involved agencies of its desire to serve as lead agency. If no other involved agency objects within 30 days, then such agency is the lead agency. If the other involved agencies agree in writing to such agency serving as lead agency, then there is no need to wait for the expiration of the 30-day period.

Unlisted Actions do not require coordinated review. Three options are available for review of an Unlisted Action: (1) Optional Coordinated Review; (2) Uncoordinated Review; (3) Conditional Negative Declaration (requires a Full EAF and coordinated review).

In an uncoordinated review, each involved agency acts as a lead agency and may proceed as if it were the only involved agency. At any time prior to its final decision an agency may have its negative declaration superseded by a positive declaration issued by any other involved agency. If any of the involved agencies issues a positive declaration, that agency must then coordinate review with all the other involved agencies.

STEP FOUR: SIGNIFICANCE DETERMINATION: The lead agency must either:

- (1) Determine that the action may be environmentally significant (positive declaration) and require that an EIS be prepared; or

(2) Determine that the action will not be environmentally significant (negative declaration); if so, the SEQR process ends;

For either (1) or (2) a written document must be prepared for which states the reasons that support the decision.

If a positive declaration is issued and an EIS is required to be prepared, the optional step of scoping may be done. Scoping is the process by which the issues to be addressed in the draft EIS are identified.

Once a draft EIS has been accepted, a minimum 30-day public comment period is required for review of the accepted EIS draft. A public hearing may be held. Based on the final EIS each involved agency must make SEQR findings to minimize the identified environmental impacts.

SEQR Responsibilities: Involved Agencies that are not the Lead Agency

When coordinated review has occurred for Type I or Unlisted actions, the determination of significance by the lead agency is binding on all involved agencies. The lead agency establishes the record upon which the other involved agencies base their findings.

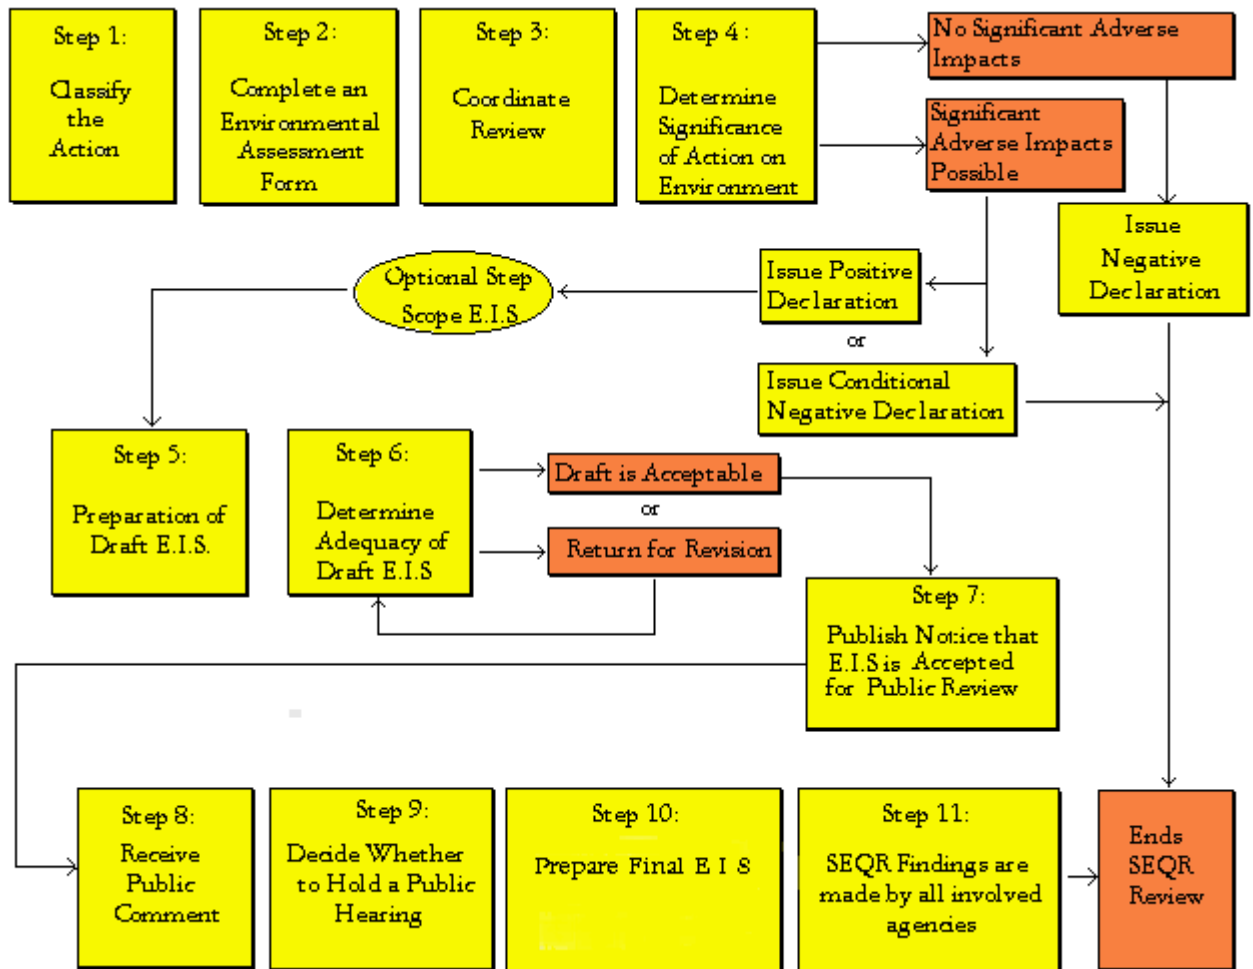

When there is a coordinated review and the lead agency issues a negative declaration, other involved agencies make their own determination and may adopt the reasoning of the lead agency. However, they are bound by the negative declaration issued.

If a positive declaration is issued by the lead agency, the involved agency should participate in any public hearings, as appropriate, provide formal agency reviews during the public review period, and assist the lead agency in responding to substantive comments during the public review period. Each involved agency must prepare its own written SEQR findings statement, after a final EIS has been filed and before the agency makes a final decision.

STEP FIVE: FILING AND PUBLISHING

For a Type I action the negative declaration must be filed at the Agency as required by 6 NYCRR Section 617.12(b)(2) and the Agency must publish it in the Environmental Notice Bulletin as required by 6 NYCRR Section 617.12(c). For an Unlisted Action, the reviewing agency must maintain a file readily accessible to the public containing the negative declaration.

ARTICLE 7 OF THE PUBLIC OFFICERS LAW OPEN MEETINGS LAW

§ 100. Legislative declaration

It is essential to the maintenance of a democratic society that the public business be performed in an open and public manner and that the citizens of this state be fully aware of and able to observe the performance of public officials and attend and listen to the deliberations and decisions that go into the making of public policy. The people must be able to remain informed if they are to retain control over those who are their public servants. It is the only climate under which the commonwealth will prosper and enable the governmental process to operate for the benefit of those who created it.

§ 101. Short title

This article shall be known and may be cited as “Open Meetings Law”.

§ 102. Definitions

As used in this article:

1. “Meeting” means the official convening of a public body for the purpose of conducting public business, including the use of videoconferencing for attendance and participation by the members of the public body.
2. “Public body” means any entity, for which a quorum is required in order to conduct public business and which consists of two or more members, performing a governmental function for the state or for an agency or department thereof, or for a public corporation as defined in section sixty-six of the general construction law, or committee or subcommittee or other similar body of such public body.
3. “Executive session” means that portion of a meeting not open to the general public.

§ 103. Open meetings and executive sessions

(a) Every meeting of a public body shall be open to the general public, except that an executive session of such body may be called and business transacted thereat in accordance with section ninety-five [FN1] of this article.

(b) Public bodies shall make or cause to be made all reasonable efforts to ensure that meetings are held in facilities that permit barrier-free physical access to the physically handicapped, as defined in subdivision five of section fifty of the public buildings law.

(c) A public body that uses videoconferencing to conduct its meetings shall provide an opportunity for the public to attend, listen and observe at any site at which a member participates.

§ 104. Public notice

1. Public notice of the time and place of a meeting scheduled at least one week prior thereto shall be given to the news media and shall be conspicuously posted in one or more designated public locations at least seventy-two hours before such meeting.

2. Public notice of the time and place of every other meeting shall be given, to the extent practicable, to the news media and shall be conspicuously posted in one or more designated public locations at a reasonable time prior thereto.

3. The public notice provided for by this section shall not be construed to require publication as a legal notice.

4. If videoconferencing is used to conduct a meeting, the public notice for the meeting shall inform the public that videoconferencing will be used, identify the locations for the meeting, and state that the public has the right to attend the meeting at any of the locations.

§ 105. Conduct of executive sessions

1. Upon a majority vote of its total membership, taken in an open meeting pursuant to a motion identifying the general area or areas of the subject or subjects to be considered, a public body may conduct an executive session for the below enumerated purposes only, provided, however, that no action by formal vote shall be taken to appropriate public moneys:

a. matters which will imperil the public safety if disclosed;

b. any matter which may disclose the identity of a law enforcement agent or informer;

c. information relating to current or future investigation or prosecution of a criminal offense which would imperil effective law enforcement if disclosed;

1. Any aggrieved person shall have standing to enforce the provisions of this article against a public body by the commencement of a proceeding pursuant to article seventy-eight of the civil practice law and rules, and/or an action for declaratory judgment and injunctive relief. In any such action or proceeding, the court shall have the power, in its discretion, upon good cause shown, to declare any action or part thereof taken in violation of this article void in whole or in part.

The provisions of this article shall not affect the validity of the authorization, acquisition, execution or disposition of a bond issue or notes.

2. In any proceeding brought pursuant to this section, costs and reasonable attorney fees may be awarded by the court, in its discretion, to the successful party. If a court determines that a vote was taken in material violation of this article, or that substantial deliberations relating thereto occurred in private prior to such vote, the court shall award costs and reasonable attorney's fees to the successful petitioner, unless there was a reasonable basis for a public body to believe that a closed session could properly have been held.

3. The statute of limitations in an article seventy-eight proceeding with respect to an action taken at executive session shall commence to run from the date the minutes of such executive session have been made available to the public.

§ 110. Construction with other laws

Any provision of a charter, administrative code, local law, ordinance, or rule or regulation affecting a public body which is more restrictive with respect to public access than this article shall be deemed superseded hereby to the extent that such provision is more restrictive than this article.

3. Notwithstanding any provision of this article to the contrary, a public body may adopt provisions less restrictive with respect to public access than this article.

§ 111. Severability

If any provision of this article or the application thereof to any person or circumstances is adjudged invalid by a court of competent jurisdiction, such judgment shall not affect or impair the validity of the other provisions of the article or the application thereof to other persons and circumstances.

Nothing in this section shall be construed to prohibit any authority from making any charge for extra services requested by a holder of such electronic method of payment, any charge for lost or damaged equipment, or for defaults, such as charges for dishonored checks. The authority shall not enter any agreement with bondholders that would require the imposition of administrative or other periodic charges relating to electronic methods of payment prohibited by this section.

Such application shall be in the form of a petition setting forth grounds, including that the cooperation by petitioner with the grand jury or other body at the time of the refusal was such, and the amount and degree of control and financial interest, if any, in the petitioning firm, partnership or corporation by the member, partner, officer or director who refused to waive immunity is such that it will not be in the public interest to cancel or terminate petitioner's contracts or to continue the disqualification, as provided in sections twenty-eight hundred seventy-five and

twenty-eight hundred seventy-six of this title.

A copy of the petition and accompanying papers shall be served with the notices to be given pursuant to this subdivision.

3. At least two days prior to the return day, the officer who conducted the investigation before the grand jury or other body and the attorney general may file answers to the petition or apply for judgment dismissing the petition as a matter of law. On or before the return day the petitioner may file a reply to the answer.

4. Upon the return day the court may, upon the petition and answer and other papers filed, forthwith render such judgment as the case requires, or if a triable issue of fact is duly raised, it shall forthwith be tried before a court sitting without a jury or before a referee. The provisions of statute or rule governing references in an action shall apply to a reference under this subdivision.

The provisions of this paragraph shall not apply to motor vehicles and automobile equipment assembled in Canada in conformity with the United States-Canadian trade agreements known as the “Automotive Products Trade Act of 1965” [FN2] or any amendments thereto.

b. 2. The provisions of this section shall not apply if the governing board or body of such public authority, in its discretion, determines that such provisions would result in unreasonable costs or that such steel products or steel components cannot be produced or made in the United States in sufficient and reasonably available quantities or of satisfactory quality or design.

§ 2878. Statement of non-collusion in bids or proposals to public authority

Where (a)(1) [FN1] (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the state, public department or agency to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph one (a).

2. [FN2] Any bid hereafter made to any public authority or to any official of any public authority created by the state or any political subdivision, by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in subdivision one of this section [FN2], shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

6. Each corporation, as part of the guidelines established pursuant to subdivision three of this section, shall establish policies regarding the preparation of publicly available reports on procurement contracts entered into by such corporation. 3. Statement contents. (a) The statement shall include, but not be limited to, a reference to this section and the following for each type or category of contract as determined by the corporation:

- (i) a description of the procedure to be followed by a contractor in requesting payment under a contract;
- (ii) a schedule setting forth the time in which the corporation will make prompt payment under a contract;

- (iv) a list of the sources of funds available to the corporation to pay an interest penalty on each type or category of contract; and
- (v) a list of facts and conditions which in the opinion of the corporation's governing body reasonably justify extension of the date by which contract payment must be made in order for the corporation not to become liable for interest payments in accordance with subdivision seven of this section.

(b) Such facts and conditions may include, but shall not be limited to, the following when:

6. Contract incorporation. The statement in effect at the time of creation of a contract is hereby incorporated into and made a part of that contract.

7. Interest eligibility and computation. (a) In order for the corporation not to be liable for the payment of interest, contract payment must be made within thirty calendar days, excluding

legal holidays, after the receipt of an invoice for the amount of the contract payment due; except when the contract payment is of the type where the facts and conditions are as defined pursuant to subparagraph (v) of paragraph (a) of subdivision three of this section. Any time taken to satisfy or rectify any of the facts or conditions described in subdivision three (except for subparagraph (iv) of paragraph (b) of subdivision three) of this section shall extend the date by which contract payment must be made in order for the corporation not to become liable for interest payments by an equal period of time.

(d) A corporation shall not be liable for payment of interest when such interest as computed pursuant to the provisions of paragraph (c) of this subdivision is less than ten dollars.

Each corporation shall have fifteen calendar days after receipt of an invoice by the corporation at its designated payment office to notify the contractor of (a) defects in the delivered goods, property, or services, (b) defects in the invoice, or (c) suspected improprieties of any kind; and the existence of such defects or improprieties shall prevent the commencement of the time period specified in subdivision seven of this section. When a corporation fails to notify a contractor of such defects or suspected improprieties within fifteen calendar days of receiving the invoice, the number of days allowed for payment of the corrected proper invoice will be reduced by the number of days between the fifteenth day and the day that notification was transmitted to the contractor. If the corporation, in such situations, fails to provide reasonable grounds for its contention that a defect or impropriety exists, the date by which contract payment must be made in order for the corporation not to become liable for interest payments shall be calculated from the date of receipt of an invoice.

9. Notwithstanding any provision of the public service law or any tariffs promulgated pursuant to that law to the contrary, the provisions of this section shall provide the sole basis for determining and making interest payments on invoices submitted by public utilities to corporations.

10. A proper invoice submitted by the contractor shall be required to initiate any payment, except where the contract provides that the contractor will be paid at predetermined intervals without having to submit an invoice for each such scheduled payment and, for the purposes of determining eligibility for payment of interest and subject to the exception and time-to-rectify provisions of subdivisions three and seven of this section, the date by which contract payment must be made in order for the corporation not to become liable for interest payments shall be the payment due date specified in accordance with the contract.

11. Annual report. (a) Each corporation shall annually prepare a report on the scope and implementation of its prompt payment policy which shall include, but not be limited to:

(i) A listing of the types or categories of contracts which the corporation entered into during the twelve month period covered by the report, together with a brief indication of whether each such type or category of contract was subject to the prompt payment requirements promulgated by the corporation and, if not, why not;

(ii) The number and amounts of interest payments made for contracts arranged according to each such type or category;

(iii) The number of interest chargeable days and the total number of days taken to process each late contract payment; and

(iv) A summary of the principal reasons that such late payments occurred.

(b) Within ninety days after the completion of its fiscal year, each corporation shall file copies of the report required by paragraph (a) of this subdivision with the state comptroller, the state director of the budget, the chairperson of the senate finance committee, and the chairperson of the assembly ways and means committee.

12. Public access. (a) Each corporation shall make available to the public, upon a reasonable request therefor, copies of its statement and annual report.

(b) Each contractor doing business with a corporation shall be given a copy of that corporation's statement.

13. Inapplicability of section. The provisions of this section shall not apply to payments due and owing by a corporation:

(a) under the eminent domain procedure law;

(b) as interest allowed on judgments rendered by a court pursuant to any provision of law other than those contained in this section;

(c) to the federal government; to any state agency or its instrumentalities; to any duly constituted unit of local government including, but not limited to, counties, cities, towns, villages, school districts, special districts, or any of their related instrumentalities; to any other public authority or public benefit corporation; or to its employees when acting in, or incidental to, their public employment capacity;

16. Court action or other legal processes. (a) Notwithstanding any other provisions of law to the contrary, the liability of a corporation, insofar as incurring an obligation to make an interest payment to a contractor pursuant to the terms of this section is concerned, shall not extend beyond the date of a notice of intention to file a claim, the date of a notice of a claim, or the date commencing a legal action for the payment of such interest, whichever occurs first.

(b) With respect to the court action or other legal processes referred to in paragraph (a) of this subdivision, any interest obligation incurred by a corporation after the date specified therein pursuant to any provision of law other than this section shall be determined as prescribed by such separate provision of law, shall be paid as directed by the court, and shall be paid from any source of funds available for that purpose.

Such guidelines shall be consistent with, and shall require the public authority's contracting activities to comply with this section, the authorities enabling legislation and any other applicable law for the disposal of property, except that such guidelines may be stricter than the provisions of this section, the authorities enabling legislation and any other applicable law for the disposal of property if the public authority determines that additional safeguards are necessary to assure the integrity of its disposition activities. Guidelines approved by the public authority shall be annually reviewed and approved by the governing body of the public authority. On or before the thirty-first day of March in each year, the public authority shall file with the comptroller a copy of the guidelines most recently reviewed and approved by the public authority, including the name of the public authority's designated contracting officer. At the time of filing such guidelines with the comptroller, every public authority shall also post such guidelines on the public authority's internet website. In disposing of any such property of a public authority, the commissioner of general services shall be bound by the terms of this title and references to the contracting officer shall be deemed to refer to such commissioner.

5. Validity of deed, bill of sale, lease, or other instrument. A deed, bill of sale, lease, or other instrument executed by or on behalf of any public authority, purporting to transfer title or any other interest in property of a public authority under this title shall be conclusive evidence of compliance with the provisions of this title insofar as concerns title or other interest of any bona fide grantee or transferee who has given valuable consideration for such title or other interest and has not received actual or constructive notice of lack of such compliance prior to the closing.

(i) the personal property involved is of a nature and quantity which, if disposed of under paragraphs a and b of this subdivision, would adversely affect the state or local market for such property, and the estimated fair market value of such property and other satisfactory terms of disposal can be obtained by negotiation;

(vi) such action is otherwise authorized by law.

d. (i) An explanatory statement shall be prepared of the circumstances of each disposal by negotiation of:

(A) any personal property which has an estimated fair market value in excess of fifteen thousand dollars;

(B) any real property that has an estimated fair market value in excess of one hundred thousand dollars, except that any real property disposed of by lease or exchange shall only be subject to clauses (C) through (E) of this subparagraph;

(C) any real property disposed of by lease for a term of five years or less, if the estimated fair annual rent is in excess of one hundred thousand dollars for any of such years;

(D) any real property disposed of by lease for a term of more than five years, if the total estimated rent over the term of the lease is in excess of one hundred thousand dollars; or

(E) any real property or real and related personal property disposed of by exchange, regardless of value, or any property any part of the consideration for which is real property.

TITLE 8: INTERNAL CONTROL RESPONSIBILITIES OF PUBLIC AUTHORITIES

§ 2930. Definitions

For the purposes of this title, the following terms shall have the following meanings:

1. "Internal control". A process that integrates the activities, plans, attitudes, policies, systems, resources and efforts of the people of an organization working together, and that is designed to provide reasonable assurance that the organization will achieve its objectives and mission. The objectives of an internal control system include, but are not limited to: the safeguarding of assets; checking the accuracy and reliability of accounting data and financial reporting; promoting the effectiveness and efficiency of operations; ensuring compliance with applicable laws and regulations; and encouraging adherence to prescribed managerial policies. Internal control review processes are used periodically to evaluate the ongoing internal control system and to assess and monitor the implementation of necessary corrective actions.

2. "Internal audit". An appraisal activity established by the management of an organization for the review of operations as a means of assuring conformity with management policies and the effectiveness of internal control, and conducted in conformance with generally accepted standards for internal auditing.

§ 2931. Internal control responsibilities

The governing board of each covered authority shall: 1. establish and maintain for the authority guidelines for a system of internal control that are in accordance with this article and internal control standards;

2. establish and maintain for the authority a system of internal control and a program of internal control review. The program of internal review shall be designed to identify internal control weaknesses, identify actions that are needed to correct these weaknesses, monitor the implementation of necessary corrective actions and periodically assess the adequacy of the authority's ongoing internal controls;

3. make available to each member, officer and employee a clear and concise statement of the generally applicable managerial policies and standards with which he or she is expected to comply. Such statement shall emphasize the importance of effective internal control to the authority and the responsibility of each member, officer and employee for effective internal control;
4. designate an internal control officer, who shall report to the head of the authority, to implement and review the internal control responsibilities established pursuant to this section; and

Any such internal audit function shall be directed by an internal audit director who shall report directly to the governing board of the authority. Internal audit director appointments shall be based on appropriate internal auditing credentials of the proposed appointee, consistent with generally accepted standards for internal auditing, including internal auditing education and experience. The internal audit function shall evaluate the authority's internal controls and operations, identify internal control weaknesses that have not been corrected and make recommendations to correct these weaknesses.

TITLE 10: STATE GOVERNMENTAL COST RECOVERY SYSTEM

§ 2975. Recovery of state governmental costs from public authorities and public benefit corporations

1. Notwithstanding any other provision of law to the contrary, every public authority and every public benefit corporation created by or pursuant to New York state law at least three of whose members are appointed by the governor, whether such authority or corporation is otherwise governed by this chapter (such entities, as so constituted, to be hereafter in this title referred to as “public benefit corporations”), shall reimburse to New York state an allocable share of state governmental costs attributable to the provision of services to public benefit corporations, as determined herein. 3. The state treasurer shall impose and collect such assessments, which shall be paid no later than March thirty-first following the imposition of the assessments, and pay the same into the state treasury to the credit of the general fund.

§ 2977. Applicability of title

1. The provisions of this title shall not be construed to, nor shall they be implemented in such a manner as to:

(b) otherwise impair the rights of bondholders of the public benefit corporations affected by this title.

2. To the extent precluded by interstate or international compact, which creates any public benefit corporation, the provisions of this title shall not apply to any such public benefit corporation until the passage of legislation, by the other party to such compact, which validates or has the same effect as this title.

§ 2985. Owner liability for failure of operator to comply with toll collection regulations

1. Notwithstanding any other provision of law, every public authority which operates a toll highway bridge and/or tunnel facility is hereby authorized and empowered to impose monetary liability on the owner of a vehicle for failure of an operator thereof to comply with the toll collection regulations of such public authority in accordance with the provisions of this section.

2. The owner of a vehicle shall be liable for a civil penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, in violation of toll collection regulations, and such violation is evidenced by information obtained from a photo-monitoring system, provided, however, that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle has been convicted of a violation of toll collection regulations for the same incident.

3. For purposes of this section, the term “owner” shall mean any person, corporation, partnership, firm, agency, association, lessor or organization who, at the time of the violation and with respect to the vehicle identified in the notice of liability: (a) is the beneficial or equitable owner of such vehicle; or (b) has title to such vehicle; or (c) is the registrant or co-registrant of such vehicle which is registered with the department of motor vehicles of this state or any other state, territory, district, province, nation or other jurisdiction; or (d) subject to the limitations set forth in subdivision ten of this section, uses such vehicle in its vehicle renting and/or leasing business; and includes (e) a person entitled to the use and possession of a vehicle subject to a security interest in another person. For purposes of this section, the term “photo-monitoring system” shall mean a vehicle sensor installed to work in conjunction with a toll collection facility, which automatically produces one or more photographs, one or more microphotographs, a videotape or other recorded images of each vehicle at the time it is used or operated in violation of toll collection regulations. For purposes of this section, the term “toll collection regulations” shall mean: those rules and regulations of a public authority providing for and requiring the payment of tolls and/or charges prescribed by such public authority for the use of bridges, tunnels or highways under its jurisdiction or those rules and regulations of a public authority making it unlawful to refuse to pay or to evade or to attempt to evade the payment of all or part of any toll and/or charge for the use of bridges, tunnels or highways under the jurisdiction of such public authority. For purposes of this section, the term “vehicle” shall mean every device in, upon or by which a person or property is or may be transported or drawn upon a highway, except devices used exclusively upon stationary rails or tracks.

4. A certificate, sworn to or affirmed by an agent of the public authority which charged that the violation occurred, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a photo-monitoring system shall be prima facie evidence of the facts contained therein and shall be admissible in any proceeding charging a violation of toll collection regulations, provided that any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection and admission into evidence in any proceeding to adjudicate the liability for such violation.

5. An owner found liable for a violation of toll collection regulations pursuant to this section shall for a first violation thereof be liable for a monetary penalty not to exceed fifty dollars or two times the toll evaded whichever is greater; for a second violation thereof both within eighteen months be liable for a monetary penalty not to exceed one hundred dollars or five times the toll evaded whichever is greater; for a third or subsequent violation thereof all within eighteen months be liable for a monetary penalty not to exceed one hundred fifty dollars or ten times the toll evaded whichever is greater.

6. An imposition of liability pursuant to this section shall be based upon a preponderance of evidence as submitted. An imposition of liability pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the motor vehicle operating record, furnished pursuant to section three hundred fifty-four of the vehicle and traffic law, of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the

provision of motor vehicle insurance coverage.

7. (a) A notice of liability shall be sent by first class mail to each person alleged to be liable as an owner for a violation of toll collection regulations. Such notice shall be mailed no later than thirty days after the alleged violation. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the mailing of the notice.

(b) A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of toll collection regulations pursuant to this section, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the photo-monitoring system which recorded the violation or other document locator number.

(c) The notice of liability shall contain information advising the person charged of the manner and the time in which he may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

(d) The notice of liability shall be prepared and mailed by the public authority having jurisdiction over the toll facility where the violation of toll collection regulations occurred.

8. Adjudication of the liability imposed upon owners by this section shall be by the entity having jurisdiction over violations of the rules and regulations of the public authority serving the notice of liability or where authorized by an administrative tribunal and all violations shall be heard and determined in the county in which the violation is alleged to have occurred, or in New York city and upon the consent of both parties, in any county within New York city in which the public authority operates or maintains a facility, and in the same manner as charges of other regulatory violations of such public authority or pursuant to the rules and regulations of such administrative tribunal as the case may be.

9. If an owner receives a notice of liability pursuant to this section for any time period during which the vehicle was reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of toll collection regulations that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. If an owner receives a notice of liability pursuant to this section for any time period during which the vehicle was stolen, but not as yet reported to the police as having been stolen, it shall be a valid defense to an allegation of liability for a violation of toll collection regulations pursuant to this section that the vehicle was reported as stolen within two hours after the discovery of the theft by the owner. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the court or other entity having jurisdiction.

10. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to subdivision seven of this section shall not be liable for the violation of the toll collection regulation provided that he or she sends to the public authority serving the notice of liability and to the court or other entity having jurisdiction a copy of the rental, lease or other such contract document covering such vehicle on the date of the violation, with the name and address of the lessee clearly legible, within thirty days after receiving the original notice of liability. Failure to send such information within such thirty day time period shall render the lessor liable for the penalty prescribed by this section. Where the lessor complies with the provisions of this subdivision, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section and shall be subject to liability for the violation of toll collection regulations, provided that the public authority mails a notice of liability to the lessee within ten days after the court, or other entity having jurisdiction, deems the lessee to be the owner. For purposes of this subdivision the term "lessor" shall mean any person, corporation, firm, partnership, agency, association or organization engaged in the business of renting or leasing vehicles to any lessee under a rental agreement, lease or otherwise wherein the said lessee has the exclusive use of said vehicle for any period of time. For purposes of this subdivision, the term "lessee" shall mean any person, corporation, firm, partnership, agency, association or organization that rents, leases or contracts for the use of one or more vehicles and has exclusive use thereof for any period of time.

11. Except as provided in subdivision ten of this section, if a person receives a notice of liability pursuant to this section it shall be a valid defense to an allegation of liability for a violation of toll collection regulations that the individual who received the notice of liability pursuant to this section was not the owner of the vehicle at the time the violation occurred. If the owner liable for a violation of toll collection regulations pursuant to this section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator.

12. "Electronic toll collection system" shall mean a system of collecting tolls or charges which is capable of charging an account holder the appropriate toll or charge by transmission of information from an electronic device on a motor vehicle to the toll lane, which information is used to charge the account the appropriate toll or charge. In adopting procedures for the preparation and mailing of a notice of liability, the public authority having jurisdiction over the toll facility shall adopt guidelines to ensure adequate and timely notice to all electronic toll collection system account holders to inform them when their accounts are delinquent. An owner who is an account holder under the electronic toll collection system shall not be found liable for a violation of this section unless such authority has first sent a notice of delinquency to such account holder and the account holder was in fact delinquent at the time of the violation.

13. Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of toll collection regulations.

14. Notwithstanding any other provision of law, all photographs, microphotographs, videotape or other recorded images prepared pursuant to this section shall be for the exclusive use of a public authority in the discharge of its duties under this section and shall not be open to the

public nor be used in any court in any action or proceeding pending therein unless such action or proceeding relates to the imposition of or indemnification for liability pursuant to this section. The public authority shall not sell, distribute or make available in any way, the names and addresses of electronic toll collection system account holders, without such account holders' consent to any entity that will use such information for any commercial purpose provided that the foregoing restriction shall not be deemed to preclude the exchange of such information between any entities with jurisdiction over and or operating a toll highway bridge and/or tunnel facility.

1. (a) Upon the establishment of an industrial development agency by special act of the legislature, the governing body of the municipality for whose benefit such agency is established shall file within six months after the effective date of the special act of the legislature establishing such agency or before the first day of July, nineteen hundred sixty-nine, whichever date shall be later, in the office of the secretary of state, a certificate setting forth: (1) the date of passage of the special act establishing the agency; (2) the name of the agency; (3) the names of the members and their terms of office, specifying which member is the chairman; and (4) facts establishing the need for the establishment of an agency in such municipality.

(b) Every such agency shall be perpetual in duration, except that if (1) such certificate is not filed with the secretary of state within six months after the effective date of the special act of the legislature establishing such agency or before the first day of July, nineteen hundred sixty-nine, whichever date shall be later, or if (2) at the expiration of ten years subsequent to the effective date of the special act, there shall be outstanding no bonds or other obligations theretofore issued by such agency or by the municipality for or in behalf of the agency, then the corporate existence of such agency shall thereupon terminate and it shall thereupon be deemed to be and shall be dissolved.

(c) On or before March first of each year, the secretary of state shall prepare a list of agencies, which failed to file a certificate in accordance with provisions of paragraph (a) of this subdivision within the preceding calendar year and transmit a copy of such list to the state comptroller and the commissioner of the department of economic development. On or before March first of each year the commissioner of the department of economic development shall prepare a list of agencies which have dissolved pursuant to paragraph (b) of this subdivision or have ceased to exist pursuant to section eight hundred eighty-two of this chapter and shall transmit a copy of such list to the state comptroller.

2. An agency shall be a corporate governmental agency, constituting a public benefit corporation. Except as otherwise provided by special act of the legislature, an agency shall consist of not less than three nor more than seven members who shall be appointed by the governing body of each municipality and who shall serve at the pleasure of the appointing authority. Such members may include representatives of local government, school boards, organized labor and business. A member shall continue to hold office until his successor is

appointed and has qualified. The governing body of each municipality shall designate the first chairperson and file with the secretary of state a certificate of appointment or reappointment of any member. Such members shall receive no compensation for their services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of their duties.

3. A majority of the members of an agency shall constitute a quorum.

4. Any one or more of the members of an agency may be an official or an employee of the municipality. In the event that an official or an employee of the municipality shall be appointed as a member of the agency, acceptance or retention of such appointment shall not be deemed a forfeiture of his municipal office or employment, or incompatible therewith or affect his tenure or compensation in any way. The term of office of a member of an agency who is an official or an employee of the municipality when appointed as a member thereof by special act of the legislature creating the industrial development agency shall terminate at the expiration of the term of his municipal office.

§ 858. Purposes and powers of the agency

The purposes of the agency shall be to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing industrial, manufacturing, warehousing, commercial, research and recreation facilities including industrial pollution control facilities, educational or cultural facilities, railroad facilities, horse racing facilities and continuing care retirement communities, provided, however, that, of agencies governed by this article, only agencies created for the benefit of a county and the agency created for the benefit of the city of New York shall be authorized to provide financial assistance in any respect to a continuing care retirement community, and thereby advance the job opportunities, health, general prosperity and economic welfare of the people of the state of New York and to improve their recreation opportunities, prosperity and standard of living; and to carry out the aforesaid purposes, each agency shall have the following powers:

(1) To sue and be sued;

(2) To have a seal and alter the same at pleasure;

(3) To acquire, hold and dispose of personal property for its corporate purposes;

(4) To acquire by purchase, grant, lease, gift, pursuant to the provisions of the eminent domain procedure law, or otherwise and to use, real property or rights or easements therein necessary for its corporate purposes in compliance with the local zoning and planning regulations and shall take into consideration regional and local comprehensive land use plans and state designated heritage area management plans, and to sell, convey, mortgage, lease, pledge, exchange or otherwise dispose of any such property in such manner as the agency shall determine. In the case of railroad facilities, however, the phrase to use real property or rights or easements therein shall not be interpreted to include operation by the agency of rail service

upon or in conjunction with such facilities.

(5) To make by-laws for the management and regulation of its affairs and, subject to agreements with its bondholders, for the regulation of the use of a project or projects.

(6) With the consent of the municipality, to use agents, employees and facilities of the municipality, paying the municipality its agreed proportion of the compensation or costs;

(7) To appoint officers, agents and employees, to prescribe their qualifications and to fix their compensation and to pay the same out of funds of the agency;

(8)(a) To appoint an attorney, who may be the counsel of the municipality, and to fix the attorney's compensation for services which shall be payable to the attorney, and to retain and employ private consultants for professional and technical assistance and advice;

(b) An attorney acting as bond counsel for a project must file with the agency a written statement in which the attorney identifies each party to the transaction which such attorney represents. If bond counsel provides any legal services to parties other than the agency the written statement must describe the nature of legal services provided by such bond counsel to all parties to the transaction, including the nature of the services provided to the agency.

(9) To make contracts and leases, and to execute all instruments necessary or convenient to or with any person, firm, partnership or corporation, either public or private; provided, however, that any extension of an existing contract, lease or other agreement entered into by an agency with respect to a project shall be guided by the provisions of this article;

(10) To acquire, construct, reconstruct, lease, improve, maintain, equip or furnish one or more projects;

(11) To accept gifts, grants, loans, or contributions from, and enter into contracts or other transactions with, the United States and the state or any agency of either of them, any municipality, any public or private corporation or any other legal entity, and to use any such gifts, grants, loans or contributions for any of its corporate purposes;

(12) To borrow money and to issue bonds and to provide for the rights of the holders thereof;

(13) To grant options to renew any lease with respect to any project or projects and to grant options to buy any project at such price as the agency may deem desirable;

(14) To designate the depositories of its money either within or without the state;

(15) To enter into agreements requiring payments in lieu of taxes. Such agreements shall be in writing and in addition to other terms shall contain: the amount due annually to each affected tax jurisdiction (or a formula by which the amount due can be calculated), the name and address of the person, office or agency to which payment shall be delivered, the date on which

payment shall be made, and the date on which payment shall be considered delinquent if not paid. Unless otherwise agreed by the affected tax jurisdictions, any such agreement shall provide that payments in lieu of taxes shall be allocated among affected tax jurisdictions in proportion to the amount of real property tax and other taxes which would have been received by each affected tax jurisdiction had the project not been tax exempt due to the status of the agency involved in the project. A copy of any such agreement shall be delivered to each affected tax jurisdiction within fifteen days of signing the agreement. In the absence of any such written agreement, payments in lieu of taxes made by an agency shall be allocated in the same proportions as they had been prior to January first, nineteen hundred ninety-three for so long as the agency's activities render a project non-taxable by affected tax jurisdictions;

(16) To establish and re-establish its fiscal year; and

(17) To do all things necessary or convenient to carry out its purposes and exercise the powers expressly given in this title.

§ 858-a. Compensation, procurement and investment

1. The compensation of an officer or full-time employee of the agency (but not including part-time employees or consultants, including accountants, attorneys and bond counsel to the agency) shall not be contingent on the granting of financial assistance by an agency.

2. The provisions of section one hundred four-b of this chapter shall be applicable to the procurement of goods and services paid for by an agency for its own use and account.

3. The provisions of sections ten and eleven of this chapter shall be applicable to deposits and investments of funds for an agency's own use and account.

§ 858-b. Equal employment opportunities

1. Each agency shall ensure that all employees and applicants for employment are afforded equal employment opportunity without discrimination.

2. Except as is otherwise provided by collective bargaining contracts or agreements, new employment opportunities created as a result of projects of the agency shall be listed with the New York state department of labor community services division, and with the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300) in which the project is located. Except as is otherwise provided by collective bargaining contracts or agreements, sponsors of projects shall agree, where practicable, to first consider persons eligible to participate in the federal job training partnership (P.L. No. 97-300) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the community services division of the department of labor for such such [FN1] new employment opportunities.

§ 859. Financial records

1. (a) Each agency shall maintain books and records in such form as may be prescribed by the state comptroller.

(b) Within ninety days following the close of its fiscal year, each agency or authority shall prepare a financial statement for that fiscal year in such form as may be prescribed by the state comptroller. Such statement shall be audited within such ninety day period by an independent certified public accountant in accordance with government accounting standards established by the United States general accounting office. The audited financial statement shall include supplemental schedules listing all straight-lease transactions and bonds and notes issued, outstanding or retired during the applicable accounting period whether or not such bonds, notes or transactions are considered obligations of the agency. For each issue of bonds or notes such schedules shall provide the name of each project financed with proceeds of each issue, and whether the project occupant is a not-for-profit corporation, the name and address of each owner of each project, the estimated amount of tax exemptions authorized for each project, the purpose for which each bond or note was issued, date of issue, interest rate at issuance and if variable the range of interest rates applicable, maturity date, federal tax status of each issue, and an estimate of the number of jobs created and retained by each project. For each straight-lease transaction, such schedules shall provide the name of each project, and whether the project occupant is a not-for-profit corporation, the name and address of each owner of each project, the estimated amount of tax exemptions authorized for each project, the purpose for which each transaction was made, the method of financial assistance utilized by the project, other than the tax exemptions claimed by the project and an estimate of the number of jobs created and retained by each project.

(c) Within thirty days after completion, a copy of the audited financial statement shall be transmitted to the commissioner of the department of economic development, the state comptroller and the governing body of the municipality for whose benefit the agency was created.

(d) An agency with no bonds or notes issued or outstanding and no projects during the applicable accounting period may apply to the state comptroller for a waiver of the required audited financial statement. Application shall be made on such form as the comptroller may prescribe.

(e) If an agency or authority shall fail to file or substantially complete, as determined by the state comptroller, the financial statement required by this section, the state comptroller shall provide notice to the agency or authority. The notice shall state the following:

(i) that the failure to file a financial statement as required is a violation of this section, or in the case of an insufficient financial statement, the manner in which the financial statement submitted is deficient;

(ii) that the agency or authority has thirty days to comply with this section or provide an

adequate written explanation to the comptroller of the agency's or authority's reasons for the inability to comply; and

(iii) that the agency's or authority's failure to provide either the required financial statement or an adequate explanation will result in the notification of the chief executive officer of the municipality for whose benefit the agency or authority was created of the agency's noncompliance with this section. Where such agency or authority has failed to file the required statement, the comptroller shall additionally notify the agency or authority that continued failure to file the required statement may result in loss of the agency's or authority's authority to provide exemptions from state taxes.

(iv) If an agency or authority after thirty days has failed to file the required statement or the explanation in the manner required by subparagraph (i) of this paragraph, or provides an insufficient explanation, the comptroller shall notify the chief executive officer of the municipality for whose benefit the agency or authority was created and the agency of the agency's or authority's noncompliance with this section. Such notice from the state comptroller shall further delineate in what respect the agency or authority has failed to comply with this section. If the agency or authority has failed to file the required statement, the notice shall additionally state that continued failure to file the required statement may result in loss of the agency's or authority's authority to provide exemptions from state taxes.

(v) If, thirty days after notification of the chief executive officer of the municipality for whose benefit the agency or authority was created of the agency's or authority's noncompliance, the agency or authority fails to file the required statement, the comptroller shall notify the chief executive officer of the municipality for whose benefit that agency or authority was created and the agency or authority that if such report is not provided within sixty days, that the agency or authority will no longer be authorized to provide exemptions from state taxes.

(vi) If, sixty days after the notification required by subparagraph (v) of this paragraph, the comptroller has not received the required statement, the agency or authority shall not offer financial assistance which provides exemptions from state taxes until such financial statement is filed and the comptroller shall so notify the agency or authority and the chief executive officer of the municipality for whose benefit the agency was created. Provided, however, that nothing contained in this paragraph shall be deemed to modify the terms of any existing agreements.

(f) Within thirty days after completion, a copy of an audited financial statement which contains transactions of or bonds or notes of civic facilities as defined in paragraph (b) of subdivision thirteen of section eight hundred fifty-four of this article, shall be transmitted by the agency to the commissioner of health, the chair of the senate finance committee, the chair of the assembly ways and means committee, the chair of the senate health committee and the chair of the assembly health committee.

2. On or before September first of each year, the commissioner of the department of economic development shall prepare and submit to the governor, speaker of the assembly, majority leader of the senate, and the state comptroller, a report setting forth a summary of the significant

trends in operations and financing by agencies and authorities; departures from acceptable practices by agencies and authorities; a compilation by type of the bonds and notes outstanding; a compilation of all outstanding straight-lease transactions; an estimate of the total number of jobs created and retained by agency or authority projects; and any other information which in the opinion of the commissioner bears upon the discharge of the statutory functions of agencies and authorities.

3. On or before April first, nineteen hundred ninety-six, the commissioner shall submit to the director of the division of the budget, the temporary president of the senate, the speaker of the assembly, the chairman of the senate finance committee, the chairman of the assembly ways and means committee, the chairman of the senate local government committee, the chairman of the senate committee on commerce, economic development and small business, the chairman of the assembly committee on commerce, industry and economic development, the chairman of the assembly local governments committee and the chairman of the assembly real property taxation committee an evaluation of the activities of industrial development agencies and authorities in the state prepared by an entity independent of the department. Such evaluation shall identify the effect of agencies and authorities on: (a) job creation and retention in the state, including the types of jobs created and retained; (b) the value of tax exemptions provided by such agencies and authorities; (c) the value of payments received in lieu of taxes received by municipalities and school districts as a result of projects sponsored by such entities; (d) a summary of the types of projects that received financial assistance; (e) a summary of the types of financial assistance provided by the agencies and authorities; (f) a summary of criteria for evaluation of projects used by agencies and authorities; (g) a summary of tax exemption policies of agencies and authorities; and (h) such other factors as may be relevant to an assessment of the performance of such agencies and authorities in creating and retaining job opportunities for residents of the state. Such evaluation shall also assess the process by which agencies and authorities grant exemptions from state taxes and make recommendations for the most efficient and effective procedures for the use of such exemptions. Such evaluation shall further include any recommendations for changes in laws governing the operations of industrial development agencies and authorities, which would enhance the creation, and retention of jobs in the state.

The notice of hearing must state the time and place of the hearing, contain a general, functional description of the project, describe the prospective location of the project, identify the initial owner, operator or manager of the project and generally describe the financial assistance contemplated by the agency with respect to the project, and provide an opportunity for the public to review the project application, which shall include an analysis of the costs and benefits of the proposed project.

3. [Eff. January 31, 2008, pursuant to L.1997, c. 444, § 8(3). See, also, subd. 3 above.] The agency must give at least ten days published notice of said public hearing and shall, at the same time, provide notice of such hearing to the chief executive officer of each affected tax jurisdiction within which the project is located. 1. Any applicant for financing of a continuing care retirement community shall present a completed application for a certificate of authority and documentation establishing the continuing care retirement community council's approval of that application, pursuant to article forty-six of the public health law.

The agency shall make such information available during regular office hours in at least two locations, at least one of which shall be in the city, town or village within which the proposed project is located. Such notice shall include a statement indicating the location and times of availability of the information required by this section.

5. The industrial development agency may require the applicant to provide any additional information, which it requires in order to meet the purposes of this article.

§ 860. Moneys of the agency

The agency shall have power to contract with the holders of any of its bonds or notes as to the custody, collection, securing, investment and payment of any moneys of the agency or any moneys held in trust or otherwise for the payment of bonds or notes or in any way to secure bonds or notes and to carry out any such contract. Moneys held in trust or otherwise for the payment of bonds or notes or in any way to secure bonds or notes and deposits of such moneys may be secured in the same manner as moneys of the agency, and all banks and trust companies are authorized to give such security for such deposits.

§ 861. Notification of budget

At such time, the agency shall file its proposed budget with the clerk of the municipality for whose benefit the agency was established. Such proposed budget shall contain detailed estimates in writing of the amount of revenues to be received and expenditures to be made during the forth coming fiscal year. 862. Restrictions on funds of the agency

Eff. February 1, 2008 pursuant to L.1993, c. 356, § 38.

No funds of the agency shall be used in respect of any project if the completion thereof would result in the removal of an industrial or manufacturing plant of the project occupant from one area of the state to another area of the state or in the abandonment of one or more plants or facilities of the project occupant located within the state, provided, however, that neither restriction shall apply if the agency shall determine on the basis of the application before it that the project is reasonably necessary to discourage the project occupant from removing such other plant or facility to a location outside the state or is reasonably necessary to preserve the competitive position of the project occupant in its respective industry.

§ 862-a. Additional restrictions on funds of the agency in connection with continuing care retirement communities

No resolution authorizing the issuance of bonds, notes or other obligations of the agency, or for providing financial assistance in any respect, for any continuing care retirement community project shall be adopted unless and until the project has received a certificate of authorization pursuant to section forty-six hundred four-a of the public health law, and unless the project will

serve the public purposes of this article by preserving permanent, private sector jobs or increasing the overall number of permanent, private sector jobs in the state.

§ 864. Bonds of the agency

(1) The agency shall have the power and is hereby authorized from time to time to issue negotiable bonds for any of its corporate purposes without limitation as to amount. The agency shall have power from time to time and whenever it deems refunding expedient, to refund any bonds by the issuance of new bonds, whether the bonds to be refunded have or have not matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose hereinabove described. The refunding bonds may be exchanged for the bonds to be refunded, with such cash adjustments as may be agreed, or may be sold and the proceeds applied to the purchase or redemption of the bonds to be refunded. Except as may otherwise be expressly provided by the agency, the bonds of every issue shall be special obligations of the agency payable solely from revenues derived from the leasing, sale or other disposition of a project, subject only to any agreements with the holders of particular bonds pledging any particular moneys or revenues. Whether or not the bonds are of such form and character as to be negotiable instruments under article eight of the uniform commercial code, [FN1] the bonds shall be, and are hereby made, negotiable instruments within the meaning of and for all the purposes of the uniform commercial code, subject only to the provisions of the bonds for registration.

The bonds may be sold at public or private sale at such price or prices as the agency shall determine.

(3) Any resolution or resolutions authorizing any bonds or any issue of bonds may contain provisions, which shall be a part of the contract with the holders of the bonds thereby authorized, as to:

(a) pledging all or any part of the revenues derived from the leasing, sale or other disposition of a project or projects to secure the payment of the bonds, subject to such agreements with bondholders as may then exist;

(b) the rentals, fees, and other charges to be charged, and the amounts to be raised in each year thereby, and the use and disposition of the revenues;

(c) the setting aside of reserves or sinking funds, and the regulation and disposition thereof;

(d) limitations on the right of the agency to restrict and regulate the use of a project;

(e) limitations on the purpose to which the proceeds of sale of any issue of bonds then or thereafter to be issued may be applied and pledging such proceeds to secure the payment of the bonds or any issue of the bonds;

(f) the terms upon which additional bonds may be issued and secured; the refunding of outstanding or other bonds;

(g) the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given;

(h) vesting in a trustee or trustees such property, rights, powers and duties in trust as the agency may determine which may include any or all the rights, powers and duties of the trustees appointed by the bondholders and limiting or abrogating the right of the bondholders to appoint a trustee or limiting the rights, duties and powers of trustee;

(i) any other matters, of like or different character, which in any way affect the security or protection of the bonds.

866. Notes of the agency

The agency shall have power from time to time to issue notes and from time to time to issue renewal notes (herein referred to as notes) maturing not later than five years from their respective original dates for any purpose or purposes for which bonds may be issued, whenever the agency shall determine that payment thereof can be made in full from any moneys or revenues which the agency expects to receive from any source. The agency may secure the notes in the same manner and with the same effect as herein provided for bonds. The notes shall be issued in the same manner as bonds. The agency shall have power to make contracts for the future sale from time to time of the notes, by which the purchasers shall be committed to purchase the notes from time to time on terms and conditions stated in such contracts, and the agency shall have power to pay such consideration as it shall deem proper for such commitments. In case of default on its notes or violation of any of the obligations of the agency to the noteholders, the noteholders shall have all the remedies provided herein for bondholders. Such notes shall be as fully negotiable as the bonds of the agency.

§ 868. Agreements of the municipality and state

The municipality is authorized to, and the state does hereby, pledge to and agree with the holders of the bonds or notes that neither the municipality nor the state, respectively, will limit or alter the rights, hereby vested in the agency to acquire, construct, reconstruct, improve, maintain, equip and furnish the project or projects, to establish and collect rentals, fees and other charges and to fulfill the terms of any agreements made with the holders of the bonds or notes nor in any way impair the rights and remedies of the bondholders or noteholders until the bonds or notes, together with interest thereon, with interest on any unpaid installments of

interest and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders or noteholders are fully met and discharged.

§ 870. State and municipality not liable on bonds or notes

The bonds or notes and other obligations of the authority shall not be a debt of the state or of the municipality, and neither the state nor the municipality shall be liable thereon, nor shall they be payable out of any funds other than those of the agency.

§ 872. Bonds and notes as legal investment

The bonds and notes are hereby made securities in which all public officers and bodies of this state and all municipalities and municipal subdivisions, all insurance companies and associations and other persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies and other persons carrying on a banking business, and all other persons whatsoever except as hereinafter provided, who are now or may hereafter be authorized to invest in bonds or notes or other obligations of the state, may properly and legally invest funds including capital in their control or belonging to them. The bonds or notes are also hereby made securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and municipal subdivisions for any purpose for which the deposit of bonds or other obligations of this state is now or may hereafter be authorized.

§ 874. Tax exemptions
