WHEREAS, the Company, the Sublessee and the Agency entered into a Project Agreement by and between the Company and the Agency dated as of November 1, 2019 (the "Project Agreement");

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company [Sublessee] hereby appoints the Sub-Agent as an agent of the Agency for the purpose of assisting the Company, the Sublessee and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

#### 2. The Sub-Agent covenants, agrees and acknowledges:

- a. To make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company, the Sublessee and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company [Sublessee] all information of the Sub-Agent necessary for the Company [Sublessee] to complete the State Department of Taxation and Finance's "Annual Report of Sales and Use Tax Exemptions" (Form ST-340).
- b. To be bound by and comply with the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein. Without limiting the scope of the foregoing, the Sub-Agent acknowledges that pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive or otherwise obtain from the Sub-Agent the portion of the Financial Assistance (the "Recapture Amount") consisting of: (1) (a) that portion of the State sales and use tax exemption claimed by the Sub-Agent to which the Sub-Agent was not entitled, which is in excess of the amount of the State sales and use tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State sales and use tax exemption claimed by the Sub-Agent, if the Sub-Agent fails to comply with a material term or condition regarding the use of the property or services as represented to the Agency in the application to the Agency in regard to the Project or otherwise; and (2) any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.
- c. That the failure of the Sub-Agent to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for

purposes of exemption from State sales and use taxation, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

- d. That all purchases made by the Sub-Agent in connection with the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123, a copy of which is attached hereto as Exhibit A), and it shall be the responsibility of the Sub-Agent (and not the Agency) to complete Form ST-123. The Sub-Agent acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, "I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the Onondaga County Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement." The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: Armoured One, LLC / North Midler Properties, LLC Project: 386 North Midler Avenue in the City of Syracuse and in the Town of Dewitt, Onondaga County, New York; IDA Project No.: 3101-18-06A.
- e. That the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent's work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

- f. That as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.
- g. That Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.
- 3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Sub-Agent's, the Company's or the Sublessee's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.
- 4. The Company [Sublessee] acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company [Sublessee] of its obligations under any provisions of the Approving Resolution, the Lease Agreement by and between the Company and the Agency dated as of November 1, 2019, [the Equipment Lease Agreement by and between the Sublessee and the Agency], the Project Agreement or of any other agreement entered into by the Company [Sublessee] in connection with the Project.
- 5. The Company [Sublessee] and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.
- 6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c) and 2(e) shall survive the termination of this Agreement.
