WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct, improve, maintain, equip or furnish one or more “projects” (as defined in the Act); to sell, convey, mortgage, lease, pledge, exchange or otherwise dispose of said projects; and to issue bonds and provide for the rights of the holders thereof; and

WHEREAS, Addcom Electronics (the “Company”) has presented an application (the “Application”) to the Agency, a copy of which was presented at this meeting and copies of which are on file at the office of the Agency, requesting the Agency consider undertaking a project (the “Project”) consisting of the following: (A) construction of a 4,800 square foot building located on .75 acres at Stewart Drive, Hancock Airpark, in the Town of Cicero, County of Onondaga (the “Facility”); and (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales taxes (the “Financial Assistance”); and

WHEREAS, pursuant to Article 8 of the Environmental Conservation law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”), and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, “SEQRA”), the Agency adopted a resolution (the “SEQR

Resolution”) on April 10, 2018 by which the Agency determined that the Project will not have a significant impact on the environment, and therefor that an environmental impact statement is not required to be prepared with respect to the project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the representations made by the Company to the Agency, the Agency hereby makes the following findings and determinations:

- (A) The Project constitutes a “project” within the meaning of the Act;
- (B) The completion of the Project will not result in the removal of a facility or plant of the Project occupant from one part of the State of New York to another area of the State of New York or in the abandonment of one or more plants or facilities of the Project occupant located within the State of New York;
- (C) The granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, health, general prosperity and economic welfare of the citizens of Onondaga County, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act; and
- (D) It is desirable and in the public interest for the Agency to undertake the Project.

Section 2. The Company will be obligated, among other things, (A) to pay all costs incurred by the Agency with respect to the Project, including all costs of operations and maintenance, all taxes and other governmental charges, and reasonable fees and expenses incurred by the Agency with respect to or in connection with the Project and (B) provide the Financial Assistance with respect to the Project, in accordance with the Agency’s uniform tax exemption policy, including exemption from sales taxes.

Section 3. The Company is appointed the true and lawful agent of the Agency to make, execute, acknowledge and deliver any contracts, orders, receipts, writings, instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper, all with the same powers and same validity as if the Agency were acting in its own behalf.

Section 4. The undertaking and completion of the Project by the Agency, and the granting of the Financial Assistance with respect to the Project as contemplated by Section 2 of this Resolution, shall be subject to: the Financial Assistance granted by the Agency with respect to the Project must be consistent with the Agency’s uniform tax exemption policy, or, if any portion of the Financial Assistance to be granted by the

Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency shall follow the procedures for deviation from such policy set forth in Section 874(4)(b) of the Act prior to granting such portion of the Financial Assistance.

Section 5. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$277,500.00, which result in New York State and local sales and use tax exemption benefits ("sale and use tax exemption benefits") not to exceed \$25,000.00. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 6. Not applicable.
