another area in the State and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State; and

WHEREAS, the Agency desires to encourage the Company to advance the job opportunities, health, general prosperity and economic welfare of the people of Onondaga County, New York by undertaking the Project in Onondaga County, New York; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the "Agency Documents"): (A) a certain underlying lease agreement (and a memorandum thereof) (the "Underlying Lease") by and between the Company and the Agency pursuant to which the Company will lease to the Agency the Land and all improvements now or hereafter located on the Land; (B) a certain lease agreement (and a memorandum thereof) (the "Lease Agreement") by and between the Company and the Agency pursuant to which the Company agrees to undertake the Project as agent of the Agency and the Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency's administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (C) a payment in lieu of tax agreement (the "PILOT Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (D) a project agreement (the "Project Agreement") by and between the Agency and the Company that complies with the requirements of Section 859-a(6) of the Act; and (E) various certificates relating to the Project (the "Closing Documents"); and

WHEREAS, the Agency will file with the assessor and mail to the chief executive officers of each "affected tax jurisdiction" (within the meaning of such quoted term in Section 854(16) of the Act) a copy of a New York State Board of Real Property Services Form RP-412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) (a "Real Property Tax Exemption Form") relating to the Project; and

WHEREAS, pursuant to the Act, the Agency desires to adopt a resolution approving the Project and the Financial Assistance that the Agency is granting to the Company with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency, based upon the representations made by the Company to the Agency in the Application, hereby finds and determines that:

1. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

2. The Project constitutes a “project,” as such term is defined in the Act;

3. The Project site is located entirely within the boundaries of Onondaga County, New York;

4. It is estimated at the present time that the costs of the planning, development, construction and installation of the Project Facility (collectively, the “Project Costs”) will be approximately \$3,033,500.00;

5. The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State to another area in the State and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State;

6. (1) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, and accordingly the Project is not prohibited by the provisions of Section 862(2)(a) of the Act, and (2) accordingly the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act;

7. The acquisition, construction and equipping of the Project Facility and the leasing of the Project Facility to the Company is reasonably necessary to induce the Company to construct the Project in the State;

8. Based upon representations of the Company and counsel to the Company, the Project Facility conforms with, or prior to the Agency entering into the Agency Documents (as defined herein), will conform with, the local zoning laws and planning regulations of Onondaga County and all regional and local land use plans for the area in which the Project Facility is located;

9. The granting of the Financial Assistance by the Agency with respect to the Project will promote the general prosperity and economic welfare of the citizens of Onondaga County, New York and the State and improve their standard of living, and thereby serve the public purposes of the Act;

10. The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

11. The Project should receive the Financial Assistance in the form of exemptions from certain real property taxes based on the description of expected public

benefits to occur as a result of this Project, as described in the Application, and failure by the Company to meet the expected public benefits will result in a recapture event, as described in the Project Agreement;

12. It is desirable and in the public interest for the Agency to enter into the Agency Documents;

13. The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide the Financial Assistance for the Project as described herein;

14. The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project;

15. The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

Section 2. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire a leasehold interest in the Land and all improvements now or hereafter located on the Land from the Company pursuant to the Underlying Lease and acquire the Equipment pursuant a bill of sale; (C) lease the Project Facility to the Company pursuant to the Lease Agreement; (D) acquire, construct and equip the Project Facility, or cause the Project Facility to be acquired, constructed and equipped, as provided in the Lease Agreement; and (E) grant to the Company the Financial Assistance with respect to the Project.

Section 3. The Agency is hereby authorized to acquire, construct and equip the Project Facility as described in the Agency Documents, to appoint the Company as agent of the Agency to undertake such acquisition, construction and equipping of the Project Facility as described in the Agency Documents, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and equipping are hereby ratified, confirmed and approved.

Section 4. The Chairman (or Vice Chairman) and the Executive Director of the Agency, with the assistance of Agency Counsel, are authorized to negotiate and approve the form and substance of the Agency Documents.

Section 5. (A) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairman (or Vice Chairman) and the Executive Director shall approve, the execution thereof by the Chairman (or Vice Chairman) and the Executive Director to constitute conclusive evidence of such approval.

(B) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 6. Notwithstanding anything herein to the contrary, the amount of real property tax abatement benefit comprising the Financial Assistance approved herein shall be approximately **\$905,855.00**, which such amount reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to the PILOT Agreement) of approximately \$1,522,438.00, less the total payments in lieu of taxes of \$616,583.00 to be made by the Company to the Affected Tax Jurisdictions with respect to the Project Facility during the term of the PILOT Agreement. The amount of estimated real property tax exemptions is estimated based on an assumed assessed value of the Project Facility and assumed future tax rates of the Affected Tax Jurisdictions; therefore the real property tax abatement benefit is estimated because it is calculated using the estimated real property tax exemptions. The actual amount of real property tax abatement benefit is subject to change over the term of the PILOT Agreement depending on any changes to assessed value and/or tax rates of the Affected Tax Jurisdictions. Exhibit A attached hereto reflects an annual breakdown of the payments in lieu of taxes to be made to the Affected Tax Jurisdictions in each year during the term of the PILOT Agreement (“Total PILOT”), an estimated value of the real property tax exemptions (“Full Tax Payment without PILOT”), and an estimated value of the real property tax abatement benefits (“Net Exemptions”).

Section 7. As a condition precedent to the granting of the Financial Assistance, the Company agrees to execute an agreement with the Agency setting forth the preliminary undertakings of the Agency and the Company with respect to the Project. The form and substance of the proposed agreement, a form of which is attached hereto (the “Agreement”) are hereby approved. The Chairman (or Vice Chairman) and the Executive Director of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, in substantially the same form as presented at this meeting with changes in terms and form as shall be consistent with this Resolution and as the Executive Director or (Vice) Chairperson shall approve. The execution thereof by the Executive Director or (Vice) Chairperson shall constitute conclusive evidence of such approval.

Section 8. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing Resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.

Section 9. This Resolution shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

the "Acquisition Agreement") which contains terms mutually acceptable to the Agency and the Company for the conveyance of an interest in the Project Facility to the Agency. The Acquisition Agreement and any other documents to be executed by the Agency and the Company in connection with the Project (collectively, the "Project Documents") shall in all respects comply with the requirements of, and limitations contained in, the Act;

(B) The Company shall have executed the Project Documents between the Agency and the Company the terms of which shall be acceptable in form and content to the Agency and the Company and pursuant to which, among other things, the Company shall be obligated to pay all costs incurred by the Agency with respect to the Project and/or the Project Facility, including all costs of operation and maintenance of the Project, all taxes and other governmental charges, any required payments in lieu of taxes, and the reasonable fees and expenses incurred by the Agency with respect to or in connection with the Project and/or the Project Facility (including reasonable counsel fees and out-of-pocket expenses), it being understood that the Company will, prior to or contemporaneously with the granting of the Financial Assistance, enter into such Project Documents;

The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its members, directors, officers, agents, or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.
