NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency, based upon the representations made by the Company to the Agency in the Application, hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(B) The Project constitutes a "project," as such term is defined in the Act;

(C) The Project site is located entirely within the boundaries of Onondaga County, New York;

(D) It is estimated at the present time that the costs of the planning, acquisition, development, reconstruction and installation of the Project Facility (collectively, the "Project Costs") will be approximately \$2,272,000;

(E) The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York;

(F) (1) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, and accordingly the Project is not prohibited by the provisions of Section 862(2)(a) of the Act, and (2) accordingly the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act;

(G) The acquisition, renovation and equipping of the Project Facility and the leasing of the Project Facility to the Company is reasonably necessary to induce the Company to maintain and expand its business operations in the State of New York;

(H) Based upon representations of the Company and counsel to the Company, the Project Facility conforms with the local zoning laws and planning regulations of Onondaga County and all regional and local land use plans for the area in which the Project Facility is located;

(I) The granting of the Financial Assistance by the Agency with respect to the Project will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of Onondaga County, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

(J) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(K) The Project should receive the Financial Assistance in the form of exemptions from certain sales and use taxes, based on the description of expected public benefits to occur as a result of this Project, as described in the Application and failure by the Company to meet the expected public benefits will result in a recapture event, as described in the Lease Agreement; and

(L) It is desirable and in the public interest for the Agency to enter into the Agency Documents.

Section 2. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire a leasehold interest in the Land and all improvements now or hereafter located on the Land from the Company pursuant to the Lease Agreement; (C) lease the Project Facility to the Company pursuant to the Lease Agreement; (D) acquire, reconstruct and equip the Project Facility, or cause the Project Facility to be acquired, reconstructed and equipped, as provided in the Lease Agreement; and (E) grant to the Company the Financial Assistance with respect to the Project.

Section 3. The Agency is hereby authorized to acquire, reconstruct and equip the Project Facility as described in the Agency Documents, to appoint the Company as agent of the Agency to undertake the acquisition, reconstruction and equipping of the Project Facility as described in the Agency Documents, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, reconstruction and equipping are hereby ratified, confirmed and approved.

Section 4. The Chairman (or Vice Chairman) and the Executive Director of the Agency, with the assistance of Agency Counsel, are authorized to negotiate and approve the form and substance of the Agency Documents.

Section 5. (A) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairman (or Vice Chairman) and the Executive Director shall approve, the

execution thereof by the Chairman (or Vice Chairman) and the Executive Director to constitute conclusive evidence of such approval.

(B) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 6. The Agency shall maintain records of the amount of State and local sales and use tax exemption benefits provided to the Project and each agent or Project operator and shall make such records available to the State Commissioner of Taxation and Finance (the "Commissioner") upon request. The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Company's receipt of, or benefit from, any State or local sales and use tax exemptions, the Company must acknowledge and agree to make, or cause its agents and/or operators to make, all records and information regarding State and local sales and use tax exemption benefits available to the Agency upon request. The provisions of Section 875 of the Act are hereby incorporated herein as if set forth herein and the Agency agrees that it shall comply with the requirements of such Section 875.

Section 7. The Agency hereby delegates to the Company, as agent of the Agency, the authority to designate (following the execution and delivery of the Agency Documents), agents and sub-agents of the Agency (each, a "Sub-Agent") for purposes of utilizing the Agency sales and use tax exemption with respect to the, renovation, reconstruction and equipping of the Project Facility; provided that any such sub-agency designation shall become effective only upon submission to the Agency within fifteen (15) days of such agency and sub-agency designation: (1) an executed sub-agent appointment agreement (in a form approved by the Agency) and (2) a completed Form ST-60 of the New York State Department of Taxation and Finance (IDA Appointment of Project Sublessee or Agent for Sales Tax Purposes). Such agents and sub-agents may include contractors and subcontractors involved in the acquisition, reconstruction and installation of the Project Facility.

Section 8. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company and/or any Sub-Agent shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State and local sales and use tax exemptions benefits.

Section 9.
