No. 97-300), as superseded by Workforce Innovation and Opportunity Act (PL. 113-128), in which the Project Facility is located. The Company agrees, where practicable, to first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the JTPA Entities.

(K) The Company acknowledges receipt of notice of Section 874(9) of the Act, which requires the Company to complete and submit Form ST-60 to the Agency. CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1. CONVEYANCE TO THE AGENCY. Pursuant to the Underlying Lease the Company has conveyed or will convey, or will cause to be conveyed, to the Agency a leasehold interest in the Land and all improvements located or to be located thereon. Pursuant to the Bill of Sale to Agency the Company has conveyed or will convey, or will cause to be conveyed, to the Agency title to the Equipment. The Company hereby represents and warrants that it has a valid fee interest in the Land and has title to the portions of the Project Facility that exist on the Closing Date, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend, indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto. The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest a leasehold interest in the Agency and shall take all action necessary or appropriate to protect such leasehold interest against claims of any third Persons. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a “project” under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project.

SECTION 3.3. HAZARDOUS MATERIALS. (A) The Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and, to the best of the Company’s knowledge, no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of all Hazardous Materials, except as permitted in accordance with Applicable Laws. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply with, and ensure compliance by all tenants and subtenants of the Company with, all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply with, and ensure that all tenants and subtenants of the Company obtain and comply with, any and all approvals, registrations or permits required thereunder.

(D) To the extent required by any State or federal environmental regulator, the Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (C) any lawsuit brought or threatened, settlement reached, or any, government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) The Company agrees that the Agency and its officers, agents or representatives, may with reasonable notice, at any reasonable time during normal business hours, and at the Company's expense, inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws. The Agency may not exercise this right more than once a year.

SECTION 3.4. NON-MERGER. During the term of this Lease Agreement, there shall be no merger of this Lease Agreement nor of the leasehold estate created by this Lease Agreement with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease Agreement or the leasehold estate created by this Lease Agreement or any interest in this Lease Agreement or in any such leasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities including any mortgagee having any interest in (x) this Lease Agreement or the leasehold estate created by this Lease Agreement and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5. COMPLIANCE WITH UNDERLYING LEASE. (A) Notwithstanding the granting of the leasehold interest created by the Underlying Lease in the Premises to the Agency pursuant to the Underlying Lease, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the Underlying Lease for the performance of all covenants, agreements, obligations and duties of the Agency as tenant under the Underlying Lease, including but not limited to the making of all rental and other payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency as tenant under the Underlying Lease, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all rents, additional rents and other sums required to be paid by the Agency as tenant under and pursuant to the provisions of the Underlying Lease and (2) diligently perform and observe all of the terms, covenants and conditions of the Underlying Lease on the part, of the Agency, as tenant thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the landlord under the Underlying Lease, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as tenant, under the Underlying Lease.

SECTION 3.6. PUBLIC AUTHORITIES LAW REPRESENTATIONS. The parties hereto hereby acknowledge and agree that the Project Facility and the interest therein to be conveyed by this Lease Agreement are not "Property" as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Project Facility and the interests therein are securing the financial obligations of the Company. The Project Facility and the interests therein secure the obligations of the Company to the Agency under the Payment in Lieu of Tax Agreement and this Lease Agreement, including the Company's obligation to acquire, construct, equip and maintain the Project Facility on behalf of the Agency and the Company's obligation to indemnify and hold harmless the Agency.

SECTION 3.7. SUBORDINATION OF LEASE AGREEMENT. This Lease Agreement and any and all modifications, amendments, renewals and extensions thereof is subject and subordinate (except with respect to the Unassigned Rights) to any Mortgage or Mortgages which may be granted by the Agency and the Company on the Project Facility or any portion thereof and to any and all modifications, amendments, consolidations, extensions, renewals, replacements and increases thereof.

(A) The Company shall, on behalf of the Agency, promptly acquire, construct, and install the Project Facility, or cause the acquisition, construction and installation of the Project Facility, all in accordance with the Project description.

(B) No material change in the Project description shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld or delayed).

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility acquired by the Company as agent of the Agency, or any subagents, shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired by the Company as agent of the Agency or by any subagents, subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment: (1) to acquire, construct and install the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may, be requisite and proper, all for the acquisition, construction and installation of the Project Facility, with the same powers and with the same validity as the Agency could do if acting on its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Lease Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, construction and installation of the Project Facility from funds made available therefor in accordance with this Lease Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, renovation, construction and installation of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) To the extent required by Applicable Law, the Company, as agent of the Agency will cause (1) compliance with the requirements of Article 8 of the New York Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, construction and installation of the Project Facility to comply with Article 8 of the New York Labor Law. The covenant in this subsection is not intended as a representation that Article 8 of the New York Labor Law applies to the Project. The Company also agrees to comply with the Agency's "Local Access Policy", a copy of which is attached hereto as Exhibit F and made a part hereof.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project Facility and to pay all such sums as may be required in connection therewith. A leasehold interest in portions of the Project Facility acquired, constructed and installed at the Company's cost shall immediately upon such acquisition, construction or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's interest to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. The Company will proceed with due diligence to commence and complete the acquisition, construction and installation of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, construction and installation of the Project Facility has been completed, with the exception of ordinary punchlist items and work awaiting seasonal opportunity, (D) that the Company or the Agency has good and valid leasehold interest in all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. Such certificate shall be accompanied by a certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes have been issued. The Company agrees to use commercially reasonable efforts to cause the completion of the acquisition, construction and installation of the Project Facility on or before September 30, 2022 unless such date is extended by the Agency in its sole discretion.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under a contract made by it in connection with

the acquisition, construction and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialmen so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency in writing of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility, and thereafter be paid to the Company for its own use.

In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, the Agency's interest in the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section 5.1 to lease the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. DURATION OF THE LEASE TERM; QUIET ENJOYMENT. (A) The Agency shall deliver to the Company possession of the Project Facility, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(C) The Agency shall take no action, other than pursuant to Article X of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease Agreement and will, at the written request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

(A) The Company shall pay basic rental payments for the Project Facility as follows: On the date of execution and delivery of this Lease Agreement, the Company shall pay, as the basic lease payments due hereunder, (1) a single lump sum basic rental payment, equal to the Agency's administrative fee relating to the Project; and (2) the fees and expenses of counsel to the Agency relating to the Project.

(B) The Company shall pay an amount sufficient to pay the sums due under the Company Project Agreement at the times and in the manner provided for therein.

(C) Within thirty (30) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable expenses (including attorney fees) of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement or any of the other Basic Documents, and any other fee or expense of the Agency with respect to the Project Facility, the

leasing or sale of the Project Facility to the Company, or any of the other Basic Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(D) The Company agrees to make the above-mentioned payments, without any further notice, by check or wire transfer, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Lease Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of set-off, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease Agreement, or terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement.

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) pay all taxes assessed upon the Project Facility and make all payments in lieu of taxes required by any payment in lieu of tax agreement executed in connection with all or any portion of the Project Facility, including those required by Section 2.02(D) thereof;

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural additions, modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company agrees to pay or cause to be paid, as the same respectively become due and before any fine, penalty, interest (except interest which is payable in connection with legally permissible installment payments) or other cost may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (1) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Project Facility or any part or component thereof, or the rental or sale of the Project Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Project

(B) Notwithstanding the provisions of subsection (A) of this Section 6.2, the Company may in good faith actively contest any such taxes, assessments and other charges, provided that the Company (1) first shall have notified the Agency in writing of such contest and (2) is not in default under any of the Basic Documents. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Lease Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company as the insured and the Agency as additional insured, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(F) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall

name the Company as insured and the Agency as additional insured, as their interests may appear, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. The policy evidencing the insurance required by Section 6.3(c) hereof shall name the Agency as an additional insured on a primary and noncontributory basis with any coverage held by the Agency, if any. All policies evidencing the insurance required by Section 6.3(d)(ii), (iii) and (iv) shall name the Agency and the Company as additional insureds on a primary and noncontributory basis with any coverage held by the Agency, if any. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates and policies satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced, or is no longer required by this Lease Agreement.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(A) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF REAL ESTATE TAXES. (A) It is recognized that under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the Project Facility be treated as exempt from real property taxation. Accordingly, the parties hereto acknowledge that a Payment in Lieu of Tax Agreement will be executed with respect to the Project Facility, and a Real Property Tax Exemption Form will be filed by the Agency with respect to the Project Facility after January 1, 2021 and no later than January 30, 2021. The Company shall pay real property taxes as they become due and payable from the date hereof until the date payments are required to be made under the Payment in Lieu of Tax Agreement, such real property taxes to be determined as if the Agency did not have a leasehold interest in the Project Facility. Thereafter, until either the expiration date of, or earlier termination of this Lease, any such Payment in Lieu of Tax Agreement, the Agency and the Company hereby agree that the Company (or any subsequent user of the Project Facility pursuant to this Lease Agreement) shall be required to

make or cause to be made payments in lieu of real estate taxes in the amounts and in the manner set forth in such Payment in Lieu of Tax Agreement.

(B) In the event that (1) the Project Facility would be subject to real property taxation if the Agency did not have a leasehold interest therein but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, and (2) the Payment in Lieu of Tax Agreement shall not have been entered into by the Agency and the Company, or if entered into the Payment in Lieu of Tax Agreement shall for any reason no longer be in effect, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility under this Lease Agreement, shall in such event be required to make or cause to be made payments in lieu of taxes to the school district or school districts, county, city, town, village and other political units wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities") in such amounts as would result from taxes being levied on the Project Facility by the Taxing Entities as if the Agency did not have a leasehold interest in Project Facility and not deemed owned by or under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Project Facility. It is agreed that the Agency, in cooperation with the Company, (a) shall cause the Project Facility to be valued for purposes of determining the amounts due hereunder as if the Agency did not have a leasehold interest in the Project Facility and the Project Facility was not deemed by or under the jurisdiction, control or supervision of the Agency as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (b) shall cause to be appropriately applied to the valuation or valuations so determined the respective tax rate or rates of the Taxing Entities that would be applicable to the Project Facility if the Agency were not so involved, (c) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such taxes to submit to the Company, when the respective levies are made for purposes of such taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such taxes which the Taxing Entities would receive in such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (d) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Agency when due all such payments in lieu of taxes with respect to the Project Facility required by Section 6.6(B) of this Lease Agreement to be paid to the Taxing Entities, subject in each case to the Company's right to (1) obtain exemptions and credits, if any, which would be afforded to a private owner of the Project Facility, including any available exemption under Section 485-b of the New York Real Property Tax Law with respect to the Project Facility, (2) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (3) seek to obtain a refund of any such payments made.

(D) Pursuant to Section 874(5) of the Act, if the Company shall fail to make or cause to be made any payments in lieu of taxes required under this Section 6.6 and the Payment in Lieu of Tax Agreement, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same,

together with a late payment penalty equal to five percent (5%) of the amount due. If the Company shall fail to make any payment required by this Section 6.6 and the Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the Agency together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) the Default Interest Rate, or (b) the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility.

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is replaced, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Agency's leasehold interest in the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the

Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to prepay Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If all then owing Indebtedness has been paid in full, all such Net Proceeds (or the balance thereof) shall be paid to the Company for its purpose.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

- (1) the Agency shall have no obligation to restore the Project Facility;
- (2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is restored);
- (3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Land or the Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net

Proceeds of any Condemnation award, if any, remaining on deposit with the Agency after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Agency's interest in the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to prepay all of the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to prepay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be prepaid in full.

(D) If all of the then owing Indebtedness has been paid in full, all such Net Proceeds (or the balance thereof) shall be paid to the Company for its purposes.

(E) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(F) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3(C) of this Lease Agreement, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

The Company shall have the right to defend the Agency its directors, members, officers, agents (except the Company), and employees, and provided the Company promptly and continuously thereafter defends the Agency, its directors, members, officers, agents (except the Company), and employees, no other attorney's fees of the Agency its directors, members, officers, agents (except the Company), and employees shall be payable by the Company.

SECTION 8.3. RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times during normal business hours to enter upon and to examine and inspect the Project Facility. The Company further agrees that the Agency shall have such rights of access to the Project Facility as

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the Company, its finances with respect to the Project and other topics with respect to the Project as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation. Without limiting the foregoing, the Company further agrees whenever reasonably requested by the Agency to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs with respect to the Project necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, as amended from time to time, or any other reports required by the New York State Authorities Budget Office or the Office of the State Comptroller or any of the Basic Documents. SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such available action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents, servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300) in which the Project Facility is located (collectively, the "Referral Agencies"). Such job opportunities required to be listed with the Agency shall include internships. The Company also agrees, and shall cause any and all other sublessees to agree, that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies. The Company also covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will list all available job openings and internships on the Agency's website for the duration of the term of this Lease Agreement.

SECTION 8.12. IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be property identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

SECTION 8.13. MORTGAGES. The Agency and the Company agree to grant a mortgage in the Project Facility to a Lender to the extent such Lender makes a Loan to the Company, the proceeds of which are used to finance or refinance the Project Facility (in which event the Lien thereby created shall be deemed a Permitted Encumbrance), if the mortgage is in a standard form and substance acceptable to the Agency in its sole and absolute discretion and pre-approved by the Agency (and the Agency agrees to not unreasonably withhold or delay its approval of such standard form mortgage) and if the mortgage contains the following provisions:

Section __. No Recourse Against Agency. The general credit of the Agency is not obligated or available for the payment of the loan or any amount due and owing under the loan or the mortgage. The lender will not look to the Agency or any principal, member, director, officer or employee of the Agency with respect to the indebtedness evidenced by this mortgage or the loan documentation or any covenant, stipulation, promise, agreement or obligation contained herein or therein. In enforcing its rights and remedies under this mortgage or the loan documentation, the lender will look solely to the collateral covered by the security interest granted by this mortgage and/or the Company for the payment of the indebtedness secured by this mortgage or the loan documentation and for the performance of the provisions hereof or thereof. The lender will not seek a deficiency or other money judgment against the Agency or any principal, member, director, officer or employee of the Agency (other than the Company) and will not institute any separate action against the Agency by reason of any default that may occur in the performance of any of the terms and conditions of this mortgage or the loan documentation. This agreement on the part of the lender shall not be construed in any way so as to effect or impair the lien of this mortgage or the lender's right to foreclose or collect hereunder as provided by law or construed in any way so as to limit or restrict any of the rights or remedies of the lender in any foreclosure or collection proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor. All covenants, stipulations, promises, agreements and obligations are the Agency's and not of any member, director, officer, employee or agent (other

than the Company) of the Agency in his or her individual capacity, and no recourse shall be had for the payment of the principal of any debt or interest thereon or for any claim based thereon or hereunder against any member, director, officer, employee or agent (other than the Company) of the Agency or any natural person executing this mortgage on behalf of the Agency. No covenant contained herein shall be deemed to constitute a debt of the State of New York or the County of Onondaga, New York and neither the State of New York nor the County of Onondaga, New York shall be liable on any covenant contained herein, nor shall any obligations hereunder be payable out of any funds of the Agency.

No order or decree of specific performance with respect, to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company) or employees shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend and hold harmless the Agency and its members, officers, agents (other than the Company) and employees against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company) and employees against all liability expected to be incurred as a result of compliance with such request.

Section _____. Hold Harmless Provisions. (a) The Company agrees that the Agency, its directors, members, officers, agents (other than the Company) and employees shall not be liable for and agrees to defend, indemnify, release and hold the Agency, its directors, members, officers, agents (other than the Company) and employees harmless from and against any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the use thereof or under this mortgage or any of the loan documentation, or (ii) liability arising from or expense incurred by the Agency's acquisition, installation, owning, leasing or financing of the Project Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its

covenants contained herein or under any of the loan documentation and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of the enforcement of any provision of the mortgage (including, without limitation, this Section)) and any other expenses incurred in defending any claims, suits or actions which may arise as a result of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency or any of its directors, members, officers, agents (other than the Company) or employees. The foregoing indemnities shall apply irrespective of the breach of a statutory obligation on the part of the Agency, or any of its members, directors, officers, agents, or employees or the application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this mortgage, the obligations of the Company pursuant to this Section ___ shall remain in full force and effect after the satisfaction of this mortgage until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all reasonable expenses and charges incurred by the Agency, or its respective members, directors, officers, agents (other than the Company) and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents (other than the Company) or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit act.

(d) Notwithstanding anything contained in this mortgage to the contrary, whenever the Company is obligated under this mortgage to indemnify and hold harmless the Agency, its directors, members, officers, agents (except the Company), or employees, the Company shall be given prompt notice of any matter that arises requiring indemnification, but failure to give such notice shall not constitute a defense hereunder nor in any way impair the obligations of the Company under this Section provided that such failure does not materially prejudice the Company in its ability to defend the Agency or materially impair the Company's defense. The Company shall have the right to defend the Agency, its directors, members, officers, agents (other than the Company), and employees,

and provided the Company promptly and continuously thereafter defends the Agency, its directors, members, officers, agents (other than the Company), and employees, no other attorneys' fees of the Agency, its directors, members, officers, agents (other than the Company), and employees shall be payable by the Company.

(e) Notwithstanding the provisions of subsection (d) hereof, the Agency retains the right to defend itself in any action or actions covered by the indemnities in this mortgage, which in the reasonable opinion of the Agency, its directors, members, officers, agents (other than the Company), or employees, independent counsel is necessary to protect the interests of the Agency due to the failure or inability of the Company to defend the Agency consistent with contemporary legal standards. In any such defense of itself, the Agency shall select its own counsel, and any and all reasonable out-of-pocket costs of such defense, including, without limitation, attorney and disbursement fees, court costs, and litigation expenses shall be paid by the Company.

Section _____. Recordation of Mortgage. The Agency covenants that it will record or cause this mortgage to be duly recorded in all offices where recordation thereof is necessary.

SECTION 8.14. FINANCING AND REFINANCING OF THE PROJECT FACILITY. Over the term of this Lease Agreement, the Agency agrees to reasonably cooperate with the Company in connection with any financing or refinancing of the indebtedness encumbering the Project Facility. In connection with any refinancing by the Company of such indebtedness, the Agency will execute and deliver all such documents and/or instruments reasonably required by the Lender in connection with such refinancing, provided that such documents or instruments are those to which the Agency is typically a party; and further provided, that such documents or instruments include the Agency's standard non-recourse/special obligation language that is contained in Section 8.13, and further subject to the approval of the Agency and the Agency's legal counsel as to form and content of the document. In all cases the Company shall pay any reasonable out-of-pocket expenses and fees of the Agency in connection with any financing or refinancing of the indebtedness encumbering the Project Facility including, without limitation, any Agency administrative fee and any reasonable attorney's fees.

ARTICLE IX

ASSIGNMENTS; MERGER OF THE AGENCY

SECTION 9.1. ASSIGNMENT OF THIS LEASE AGREEMENT. Except as otherwise provided in Section 8.4 hereof, this Lease Agreement may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 9.2. MERGER OF THE AGENCY. (A) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease Agreement shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3. SALE OR LEASE OF THE PROJECT FACILITY. (A) The Company may not sell, lease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

(B) Notwithstanding anything to the contrary contained in this Lease Agreement, in any instance after the Completion Date where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. The Company shall pay all costs and expenses (including attorney fees) incurred in transferring title to and releasing from the Liens of the Basic Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X

(3) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.

(4) The occurrence of an “Event of Default” under any other Basic Document.

The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required by Sections 4.1(H), 5.3, 6.2 and 6.6 hereof, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 3.3 and 8.2 hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. SECTION 10.2. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

SECTION 10.3. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4. AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreement on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred, whether an action is commenced or not.

In the event of a termination of the Underlying Lease and this Lease Agreement resulting from the exercise by the Agency of its remedies under Section 10.2 hereof, the Agency shall have the right to execute an appropriate Assignment to Company, Bill of Sale to Company and Termination of Lease Agreement (collectively, the "Termination Documents") with respect to the Project Facility and to place the same on record in the Onondaga County Clerk's office, at the sole cost and expense of the Company and in such event the Company waives delivery and acceptance of the Termination Documents and the Company hereby appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution to execute such Termination Documents, together with all affidavits, questionnaires and other documentation necessary to effectuate the recording of such Termination Documents.

(C) The Company agrees to prepare the Assignment to Company and/or the Bill of Sale to Company and/or the Termination of Lease Agreement and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company.

(E) This Lease Agreement shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.3 and shall remain in full force and effect until all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.9 hereof.

(F) Upon the payment in full of all Indebtedness under or secured by this Lease Agreement, and notwithstanding the survival of certain obligations of the Company as described in Section 12.9 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 12.11. NO RECOURSE; SPECIAL OBLIGATION. (A) The obligations and agreements of the Agency contained herein and in the other Basic Documents and any other instrument or document executed in connection herewith or therewith, and any other instrument document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company) or employee of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State of New York or the County of Onondaga, New York, and neither the State of New York nor the County of Onondaga, New York shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect, to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company) or employees shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend and hold harmless the Agency and its members, officers, agents (other than the Company) and employees against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company) and employees against all liability expected to be incurred as a result of compliance with such request.

EXHIBIT F

LOCAL ACCESS POLICY

In absence of a waiver permitting otherwise, every project seeking the assistance of the Onondaga County Industrial Development Agency (Agency) must use local general contractors, sub-contractors and labor for one-hundred percent (100%) of the construction of new, expanded, or renovated facilities. The project's construction or project manager need not be a local company.

All projects of the Agency will be subject to monitoring by the Agency. Noncompliance may result in the revoking and/or recapture of all benefits extended to the project by the Agency.

Definitions

Local Labor is defined as laborers permanently residing in the State of New York counties of Cayuga, Cortland, Herkimer, Jefferson, Madison, Oneida, Onondaga, Oswego, Tompkins and Wayne.

Local (Sub) Contractor is defined as a contractor operating a permanent office in the State of New York counties of Cayuga, Cortland, Herkimer, Jefferson, Madison, Oneida, Onondaga, Oswego, Tompkins and Wayne.

Waivers

The Agency may determine on a case-by-case basis to waive the local access policy for a project or for a portion of a project where consideration of warranty issues, necessity of specialized skills, significant cost differentials between local and non-local services or other compelling circumstances exist. Should a company require a waiver of the local access policy, the Board would ask that the company make good faith efforts to use New York based companies prior to reaching outside the state for services.

Waiver Process

The project Applicant will submit in writing a request for a waiver to the Executive Director of the Agency. Said request will clearly and comprehensively explain and reliably verify the need for the waiver. The company shall then provide proof to the Executive Director of diligent efforts to secure labor within the local labor area. The company must provide proof directly from local companies that the labor is not available in the 10 County area. The Executive Director will submit the verified waiver request to the Board Chair and the agency attorney for review and shall approve or disapprove waivers.

Noncompliance

If a project is found to be noncompliant, the Executive Director will issue a written warning. If within thirty (30) days of issuance of the warning the project remains noncompliant, the Executive Director will submit to the Board a resolution to revoke and/or recapture the project benefits.
