COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF PROJECT FACILITY.

(A) Assessment of Project Facility: Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of a leasehold interest in the Project Facility by the Agency and the filing by the Agency, and for so long thereafter as the Agency shall have a leasehold interest in the Project Facility, the Project Facility shall be assessed by the Town of Salina, Onondaga County, New York (hereinafter referred to as the “Town”) and by the various other taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, school district, or other political unit or units wherein the Project Facility is located (the Town and such other taxing entities being sometimes collectively referred to as the “Taxing Entities”, and each of such Taxing Entities being sometimes individually referred to as a “Taxing Entity”) as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest in the Project Facility. The Company and the Sublessee shall, promptly following acquisition by the Agency of the leasehold interest, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency and, for so long thereafter as the Agency shall have a leasehold interest in the Project Facility, the Company and the Sublessee shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency obtains of record a leasehold interest in the Project Facility. Pursuant to the provisions of the Lease Agreement and the Equipment Lease Agreement, the Company and the Sublessee, jointly and severally, will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. Subject to Section 3.01 hereof, the Agency will reasonably cooperate with the Company and the Sublessee to preserve the tax-exempt status of the Project Facility and to achieve the purposes and effect of this Agreement.

(B) Special Assessments: The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the State Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement and the Equipment Lease Agreement, the Company and the Sublessee, jointly and severally, shall pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) Agreement to Make Payments: The Company and the Sublessee agree that they shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company and the Sublessee also agree to give the assessor a copy of this Payment in Lieu of Tax Agreement. The payments due hereunder shall be paid by the Company and the Sublessee to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the “Receivers of Taxes”) for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company and the Sublessee, jointly and severally, shall pay interest and late charges as required by Section 874 of the Act.

(B) Amount of Payments in Lieu of Taxes: For each roll year beginning on and after March 1, 2020, the payments in lieu of taxes to be paid by the Company and/or the Sublessee to the various Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement (each a “Regular PILOT Payment”) shall be as follows:

ROLL YEAR	TOWN/COUNTY YEAR	SCHOOL DISTRICT YEAR	PILOT PAYMENT
1	1/1/21 – 12/31/21	7/1/20 – 6/30/21	\$43,354.18

4	1/1/24 – 12/31/24	7/1/23 – 6/30/24	\$48,372.00
5	1/1/25 – 12/31/25	7/1/24 – 6/30/25	\$50,143.27
6	1/1/26 – 12/31/26	7/1/25 – 6/30/26	\$51,966.04
7	1/1/27 – 12/31/27	7/1/26 – 6/30/27	\$53,841.67

9	1/1/29 – 12/31/29	7/1/28 – 6/30/29	\$57,757.05
10	1/1/30 – 12/31/30	7/1/29 – 6/30/30	\$59,799.69

Notwithstanding the foregoing schedule, the Company and the Sublessee further covenant and agree that for any period that the Agency continues to hold a leasehold interest in the Land and Improvements after February 28, 2031, the Company and the Sublessee shall pay, jointly and severally, 100% of the taxes that would be imposed on the Project Facility if the Agency did not have a leasehold interest in the Project Facility. The Company and the Sublessee shall not be liable or responsible for double tax payments associated with this Agreement and the restoration of the Project Facility to the assessment roll under Section 520 of the Real Property Tax Law.

All PILOT payments will be allocated among the “affected tax jurisdictions” pro-rata in accordance with the applicable tax rates.

(C) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any material modification or any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on

the Land that is not included in the definition of “Project Facility” (such structural additions and additional buildings and other structures being hereinafter referred to as “Additional Facilities”) the Company and the Sublessee agree, jointly and severally, to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as “Additional Payments”) to the Receiver of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the “Additional Normal Tax”) which would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (D) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity, as if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein), the amount payable by the Company and the Sublessee to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency, the Company and the Sublessee shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(D) Valuation of Additional Facilities.

(1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(C) hereof shall be determined by the Assessor of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the “Additional Assessed Value”) upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company and the Sublessee shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company and the Sublessee are dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, the Company and the Sublessee shall have the right to contest the Additional Assessed Value of the Project Facility made for purposes of determining any payments due hereunder and to seek a refund of any such payments made hereunder. The Company's and the Sublessee's challenge to the Additional Assessed Value of the Project Facility and the determination of the Company and/or the Sublessee to seek a refund of any payments made hereunder shall be made in accordance with State Real Property Tax Law.

(E) Statements: The Agency agrees to give the appropriate officer of officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities a copy of this Agreement and request that said officers submit to the Company, the Sublessee and to the Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company and the Sublessee at approximately the times that tax bills are mailed by such Taxing Entities.

(F) Time of Payments: Subject to Section 2.03(B) hereof, the Company and the Sublessee agree to pay the amounts due hereunder to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company and the Sublessee shall be entitled to receive receipts for such payments.

(G) Method of Payment: All payments by the Company and/or the Sublessee hereunder shall be paid to the Receivers of Taxes by check in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

(H) Transfer to Company: In the event the Agency no longer has a leasehold interest in the Project Facility, the Project Facility shall be immediately subject to taxation pursuant to Section 302 and Section 520 of the Real Property Tax Law, as amended. However, with the exception of the calendar year 2020, in no event shall the Company be required to pay both payments in lieu of taxes and real property taxes for a concurrent tax year or any portion thereof. Therefore, should the Company Project Facility be conveyed to the Company and thus become taxable pursuant to Real Property Tax Law Section 520, the Taxing Entities agree that any payments payable under this Agreement as payments in lieu of taxes shall be reduced by the amount of any taxes which are required to be paid under Real Property Tax Law Section 520 for any such concurrent tax year or any portion thereof, and should such payments in lieu of taxes already have been made, the Taxing Entities shall refund any such amounts owing to the Company.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Credits: The parties hereto acknowledge and agree that the obligation of the Company and the Sublessee jointly and severally to make the payments provided in Section 2.02 of this Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company and/or the Sublessee may be required to pay under the Lease Agreement and the Equipment Lease Agreement, respectively. It is understood and agreed, however, that should the Company or the Sublessee pay in any calendar year

to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the Sublessee or the occupancy thereof by the Company or the Sublessee (but not including, by way of example, sales and use taxes, or special assessments and special ad valorem levies described in Section 2.01(B) above) then the Company's and the Sublessee's obligation to make payments in lieu of property taxes for such calendar year to such Taxing Entity hereunder shall be reduced by the amounts which the Company and the Sublessee shall have so paid to such Taxing Entity in such calendar year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other calendar year.

(B) Method of Claiming Credits: If the Company or the Sublessee desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company or the Sublessee (as applicable) shall give the governing body of the affected Taxing Entity prior written notice of its intention to claim any credit pursuant to the provisions of this Section 2.03, said notice to be given by the Company or the Sublessee (as applicable) at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's or the Sublessee's (as applicable) right to claim such credit, then said governing body, the Agency and the Company or the Sublessee (as applicable) shall each select an arbitrator in accordance with the rules of the American Arbitration Association, which arbitrators shall, at the sole cost and expense of the Company or the Sublessee (as applicable), determine whether the Company or the Sublessee (as applicable) is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company or the Sublessee (as applicable) is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or the Sublessee (as applicable) or to determine a lower or higher credit. When the Company or the Sublessee (as applicable) shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company or the Sublessee (as applicable)), but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company or the Sublessee (as applicable) shall, to the extent withheld as aforesaid, be immediately due and payable, together with interest thereon from the date such payment in lieu of tax was originally due, at the rate of eighteen percent (18%) per annum, and such amount and shall be paid by the Company or the Sublessee (as applicable) within thirty (30) days of said decision.

SECTION 2.04. INTEREST. If the Company and the Sublessee shall fail to make any payment required by this Agreement when due, their joint and several obligation to make the payment so in default shall continue as a joint and several obligation of the Company and the Sublessee until such payment in default shall have been made in full, and the Company and the Sublessee shall pay the same together with late charges and interest thereon, as required by Section 874 of the Act and as more fully described in Section 4.05 hereof.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. Notwithstanding anything contained in this Agreement to the contrary:

(A) No Recourse: All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, officer, agent (other than the Company and the Sublessee), servant or employee of the Agency in his or her individual capacity, and no recourse under or upon any obligation, covenants or Agreement contained in this Agreement, or otherwise based upon or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company and the Sublessee), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement, it being expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company and the Sublessee), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company and the Sublessee), servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(B) Limited Obligation: The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the County of Onondaga, New York, and neither the State of New York nor the County of Onondaga, New York shall be liable thereon, and further such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation: Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company and/or the Sublessee, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses (including, without limitation, attorneys' fees and expenses) or other costs, the Agency shall have received from the Company and the Sublessee security or indemnity and an agreement from the

Company and the Sublessee to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

(A) Failure of the Company or the Sublessee to pay any amount due and payable by the Company and the Sublessee pursuant to this Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company and the Sublessee stating that such payment is due and payable;

(B) Failure of the Company or the Sublessee to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in subsection (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company and the Sublessee specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period, the Company or the Sublessee shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same;

(C) Any warranty, representation or other statement by or on behalf of the Company or the Sublessee contained in this Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement; or

(D) The occurrence and continuance of an “Event of Default” under the Lease Agreement or the Equipment Lease Agreement, beyond any applicable cure period (if any).

SECTION 4.02. REMEDIES ON DEFAULT. Whenever any Event of Default shall have occurred with respect to this Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to the Agency or such Taxing Entity, as the case may be, to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company and the Sublessee under this Agreement, including without limitation, terminating the Company’s and the Sublessee’s status as agents of the Agency and causing the surrender of Underlying Lease to be duly recorded. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Company and the Sublessee irrevocably agree that any suit, action or other legal proceeding arising out of this Agreement may be brought in the courts of record of the State of New York, consent to the jurisdiction of each such court in any such suit, action or proceeding, and waive any objection which they may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If the Company or the Sublessee should default in performing any of their obligations, covenants or agreements under this Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or Agreement on the part of the Company or the Sublessee herein contained, the Company and the Sublessee agree that they will, on demand therefor and jointly and severally, pay to the Agency or such Taxing Entity, as the case may be, the reasonable expenses so incurred, whether or not an action is commenced together with interest thereon at the maximum rate allowed by law.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. (A) No Remedy Exclusive: No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay: No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required: In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement or the Act.

(D) No Waiver: In the event any provision contained in this Agreement should be breached by either party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

SECTION 4.05. PAYMENT OF INTEREST AND PENALTIES. Pursuant to Section 874(5) of the General Municipal Law of New York, as amended, if the Company shall fail to make or cause to be made any such payments in lieu of real estate taxes when due, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same, together with a late payment penalty equal to five percent (5%) of the amount due. Additionally, if the Company shall fail to make any payment required by this Section 4.05 when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.
