exemption with respect to the Project Facility under Section 412-a of the Real Property Tax Law) relating to the Project; and

WHEREAS, pursuant to the Act, the Agency desires to adopt a resolution approving the Project and the Financial Assistance that the Agency is granting to the Company with respect to the Project;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency, based upon the representations made by the Company to the Agency in the Application, hereby finds and determines that:

1. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;
2. The Project constitutes a "project," as such term is defined in the Act;
3. The Project site is located entirely within the boundaries of Onondaga County, New York;
4. It is estimated at the present time that the costs of the planning, development, construction and installation of the Project Facility will be approximately \$4,500,000.00;
5. The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State to another area in the State and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State;
6. (1) The Project Facility does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, and accordingly the Project is not prohibited by the provisions of Section 862(2)(a) of the Act, and (2) accordingly the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act;
7. The acquisition, construction and equipping of the Project Facility and the leasing of the Project Facility to the Company is reasonably necessary to induce the Company to construct the Project in the State;
8. Based upon representations of the Company and counsel to the Company, the Project Facility conforms with the local zoning laws and planning regulations of Onondaga County and all regional and local land use plans for the area in which the Project Facility is located;

9. The granting of the Financial Assistance by the Agency with respect to the Project will promote the general prosperity and economic welfare of the citizens of Onondaga County, New York and the State and improve their standard of living, and thereby serve the public purposes of the Act;

10. The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

11. The Project should receive the Financial Assistance in the form of exemptions from certain real property taxes and real estate transfer taxes based on the description of expected public benefits to occur as a result of this Project, as described in the Application, and failure by the Company to meet the expected public benefits will result in a recapture event, as described in the Project Agreement;

12. It is desirable and in the public interest for the Agency to enter into the Agency Documents;

13. The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide the Financial Assistance for the Project as described herein;

14. The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

15. The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions the Act.

Section 2. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire a leasehold interest in the Land and all improvements now or hereafter located on the Land from the Company pursuant to the Underlying Lease; (C) lease the Project Facility to the Company pursuant to the Lease Agreement; (D) acquire, construct and equip the Project Facility, or cause the Project Facility to be acquired, constructed and equipped, as provided in the Lease Agreement; and (E) grant to the Company the Financial Assistance with respect to the Project.

Section 3. Notwithstanding anything herein to the contrary, the amount of real property tax abatement benefit comprising the Financial Assistance approved herein shall be approximately **\$33,049**, which such amount reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to the PILOT Agreement) of approximately \$913,883, less the total payments in lieu of taxes of \$880,833 to be made by the Company to the affected tax jurisdictions with respect to the Project Facility during the term of the PILOT Agreement. The amount of estimated real property tax exemptions is estimated based on an

assumed assessed value of the Project Facility and assumed future tax rates of the affected tax jurisdictions; therefore the real property tax abatement benefit is estimated because it is calculated using the estimated real property tax exemptions. The actual amount of real property tax abatement benefit is subject to change over the term of the PILOT Agreement depending on any changes to assessed value and/or tax rates of the affected tax jurisdictions. Exhibit A attached hereto reflects an annual breakdown of the payments in lieu of taxes to be made to the affected tax jurisdictions in each year during the term of the PILOT Agreement (“Total PILOT”), an estimated value of the real property tax exemptions (“Full Tax Payment without PILOT”), and an estimated value of the real property tax abatement benefits (“Net Exemptions”).

Section 4. The Agency is hereby authorized to acquire, construct and equip the Project Facility as described in the Agency Documents, to appoint the Company as agent of the Agency to undertake such acquisition, construction and equipping of the Project Facility as described in the Agency Documents, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and equipping are hereby ratified, confirmed and approved.

Section 5. The Chairman (or Vice Chairman) and the Executive Director of the Agency, with the assistance of Agency Counsel, are authorized to negotiate and approve the form and substance of the Agency Documents.

Section 6. (A) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairman (or Vice Chairman) and the Executive Director shall approve, the execution thereof by the Chairman (or Vice Chairman) and the Executive Director to constitute conclusive evidence of such approval.

(B) The Chairman (or Vice Chairman) and the Executive Director of the Agency are hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 7. As a condition precedent to the granting of the Financial Assistance, the Company agrees to execute an agreement with the Agency setting forth the preliminary undertakings of the Agency and the Company with respect to the Project. The form and substance of the proposed agreement, a form of which was available to the members of the Agency (the “Agreement”) are hereby approved. The Chairman (or Vice Chairman) and the Executive Director of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, in substantially the same form as presented at this meeting with changes in terms and form as shall be consistent with this Resolution and as the Executive Director or (Vice) Chairman shall approve. The execution thereof by the Executive Director or (Vice) Chairman shall constitute conclusive evidence of such approval.

Section 8. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such

additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing Resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.

Section 9. This Resolution shall take effect immediately upon adoption.
